

Edge-weight distribution

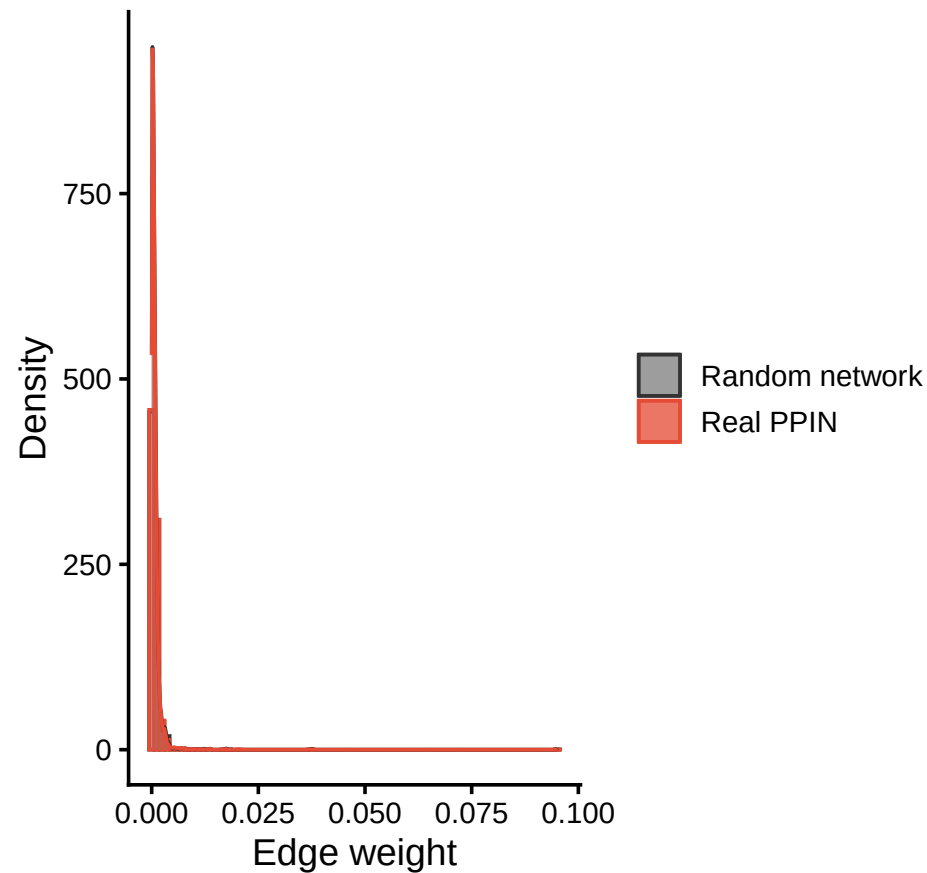

HiG_blood fragmentation under targeted-node attack

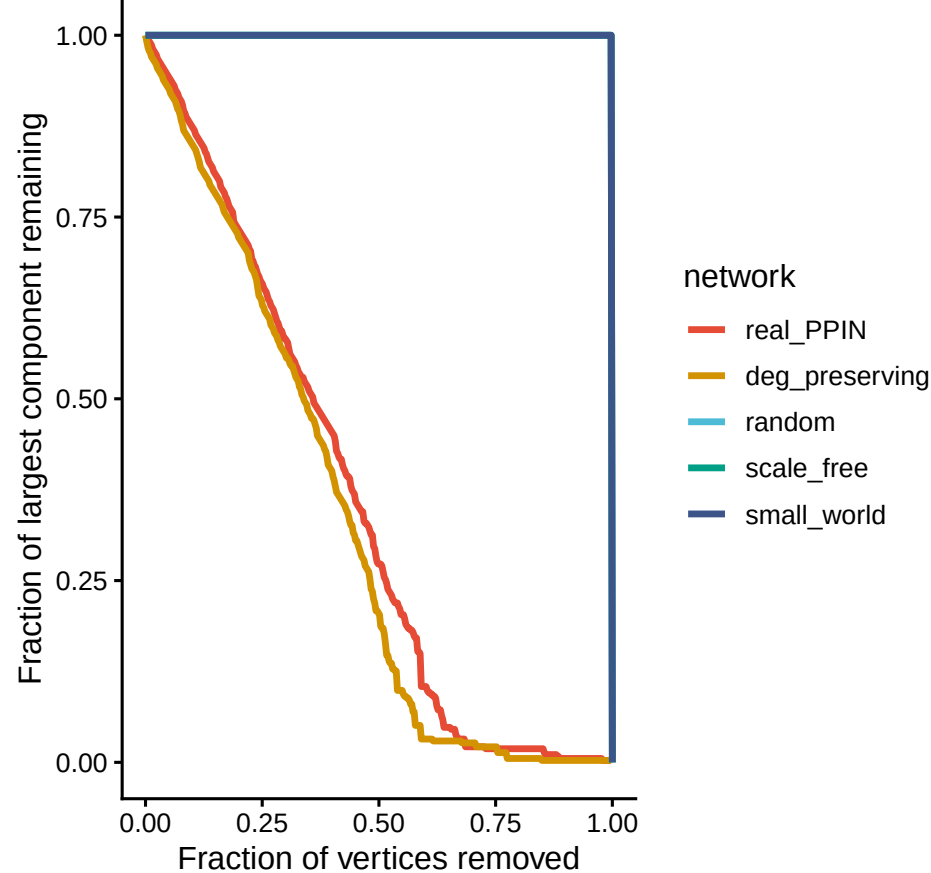

HiG_blood resilience (AUC of fragmentation curve)

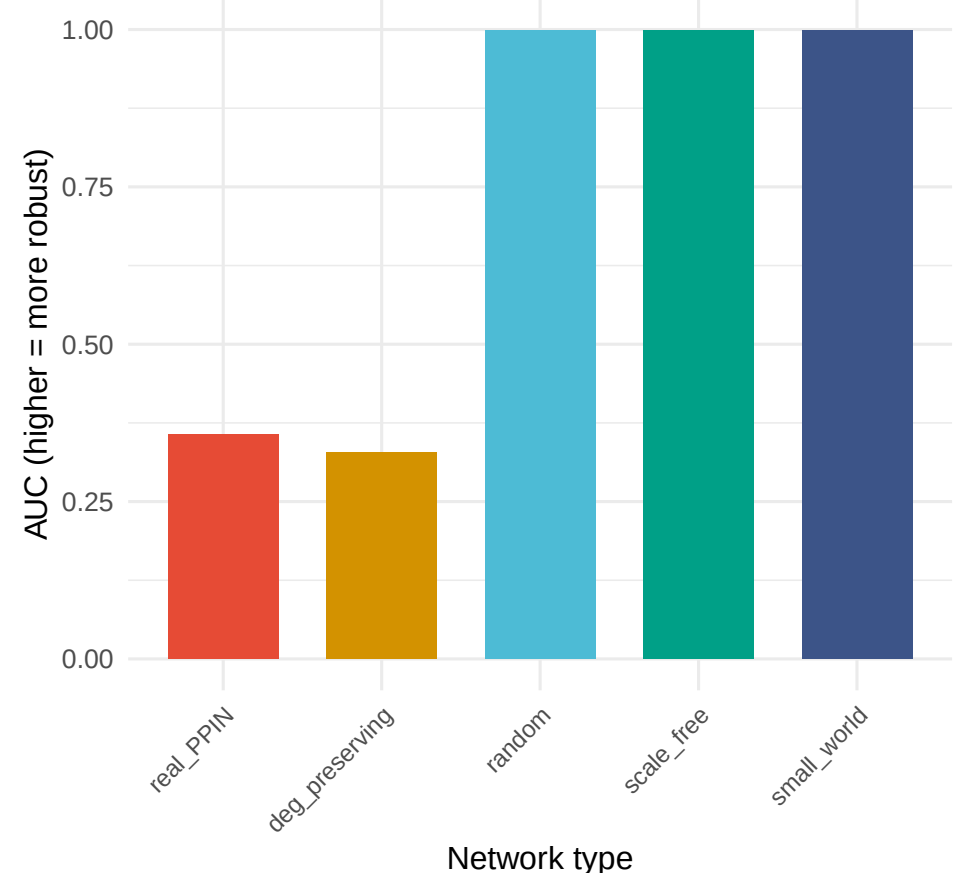

Edge-weight distribution

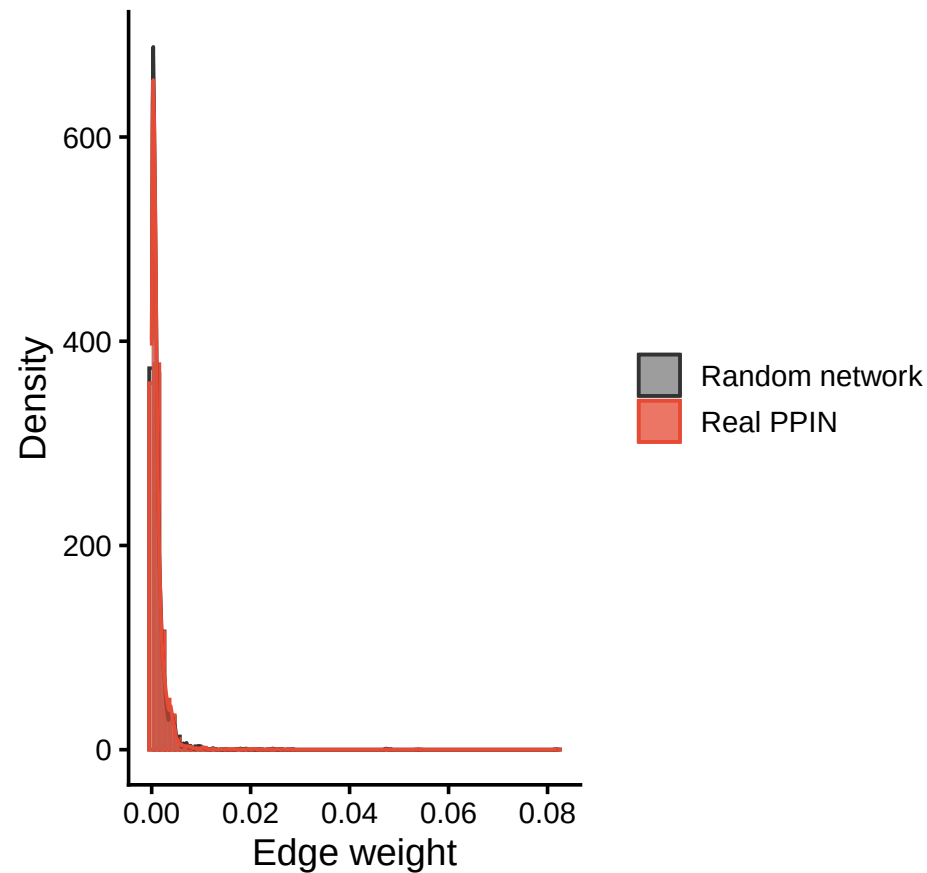

HiG_cardiac.b fragmentation under targeted-node

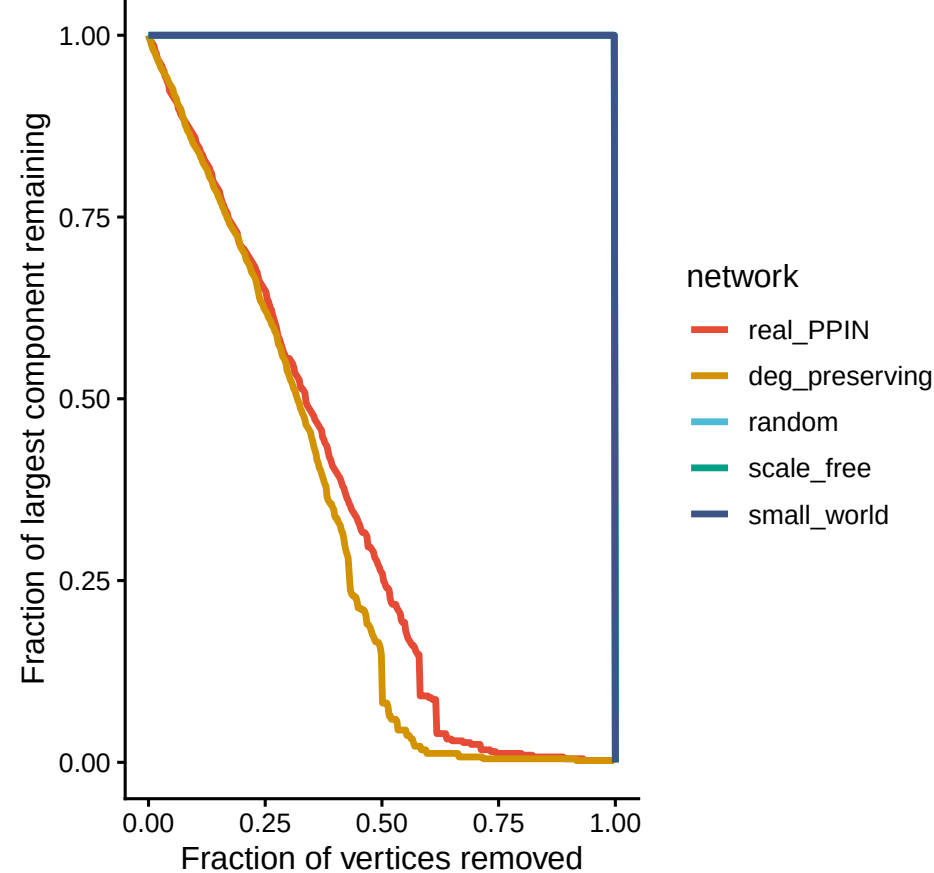

HiG_cardiac.b resilience (AUC of fragmentation curve)

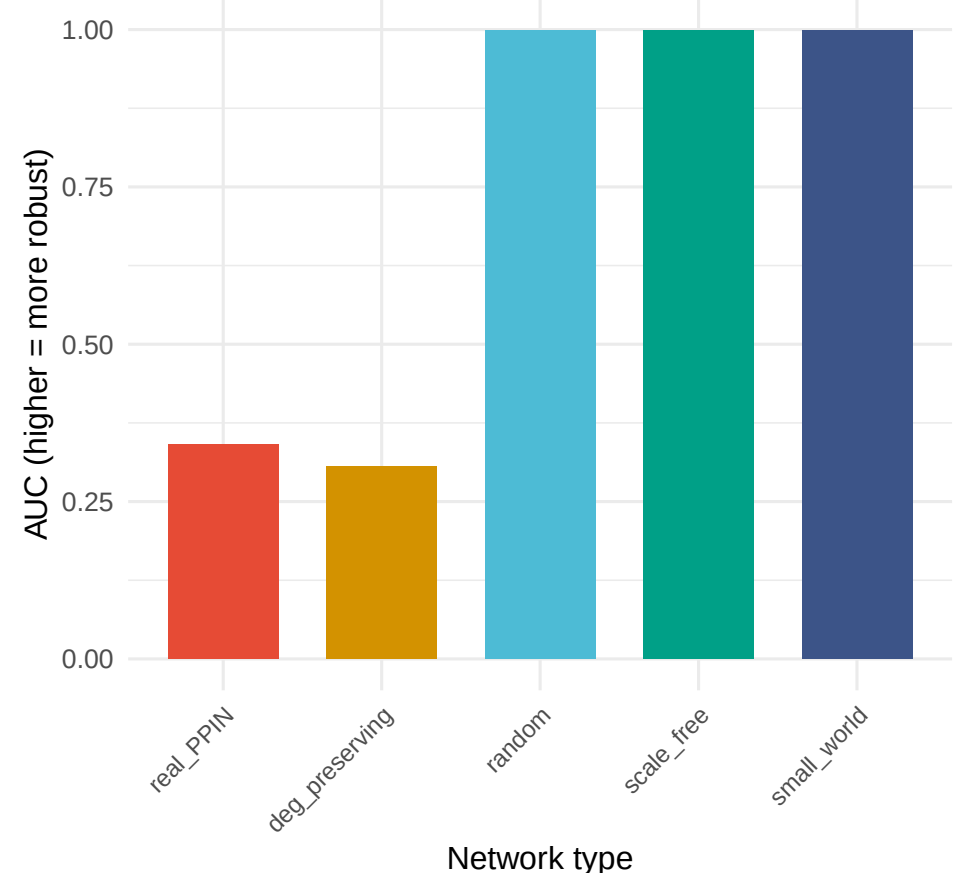

Edge-weight distribution

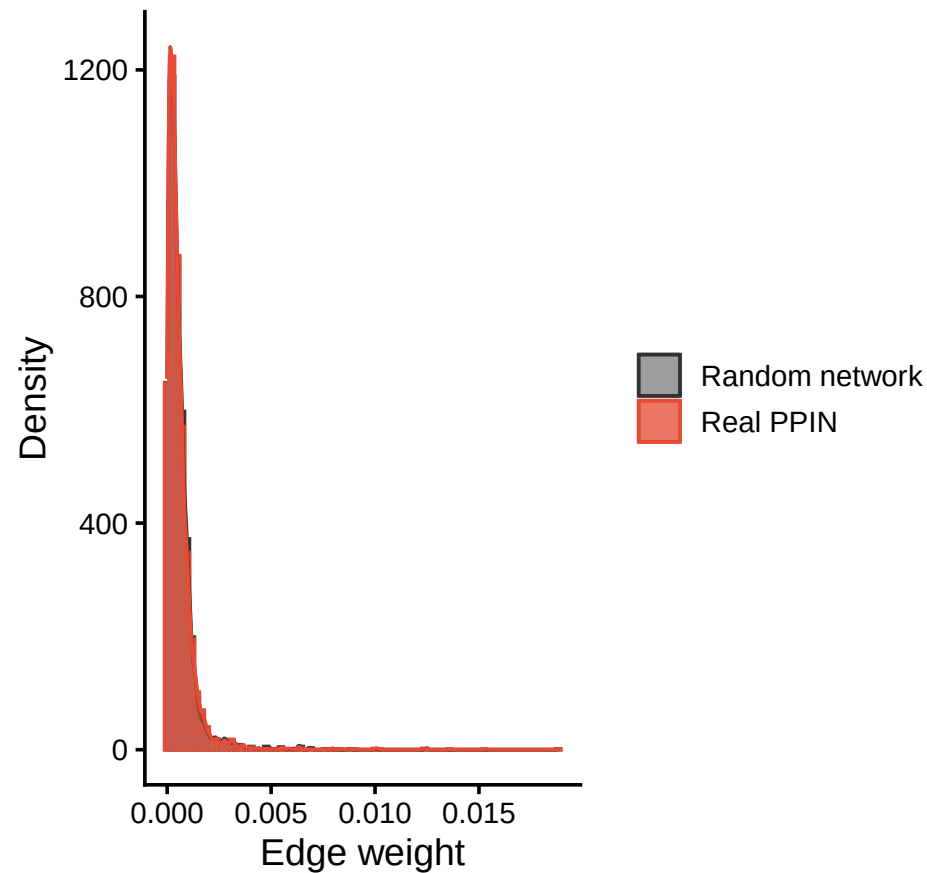

HiG_cardiac.c fragmentation under targeted-node

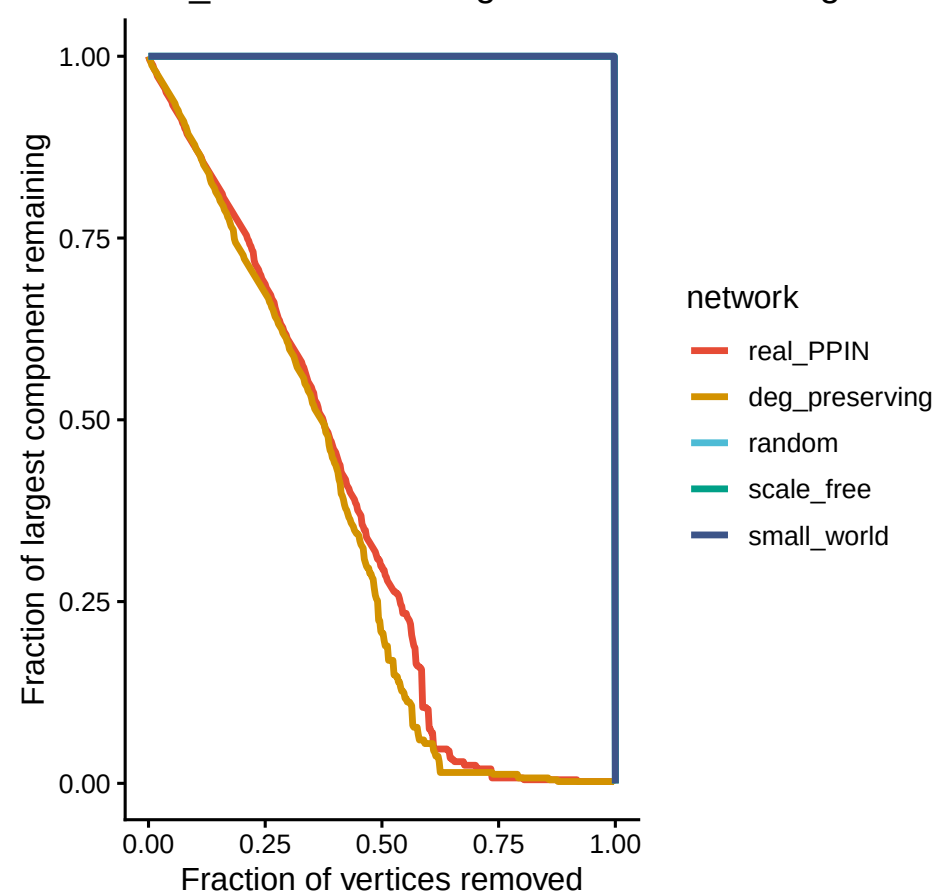

HiG_cardiac.c resilience (AUC of fragmentation curve)

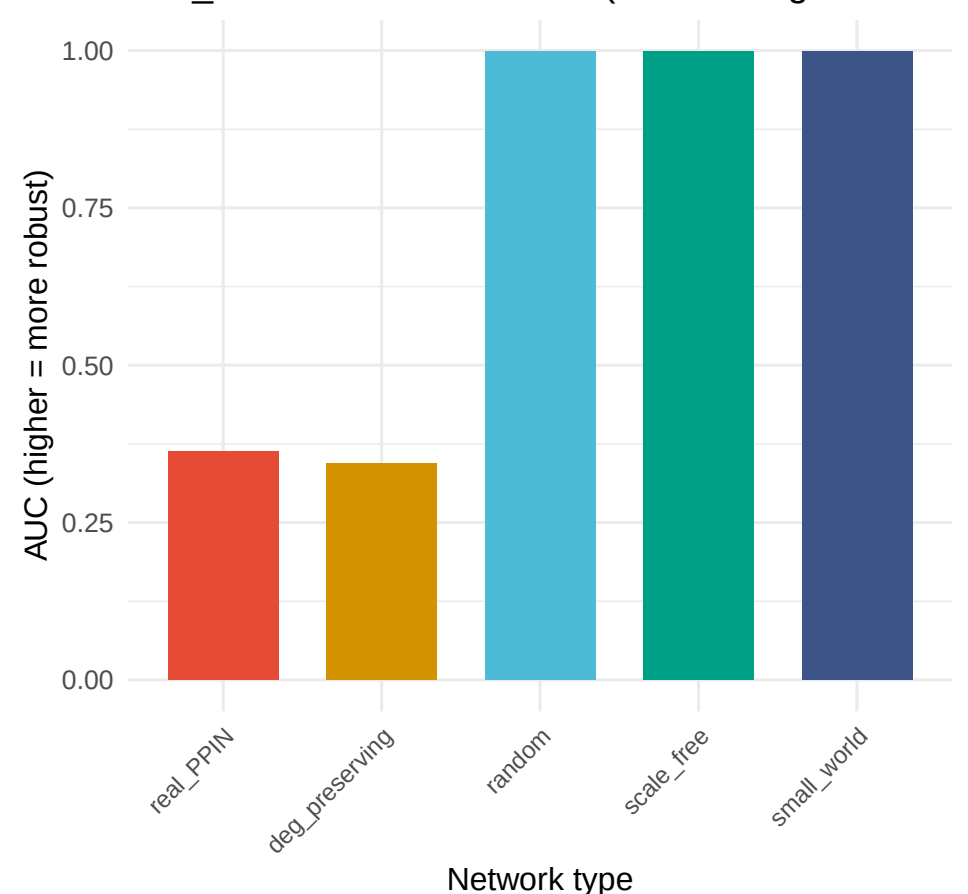

Edge-weight distribution

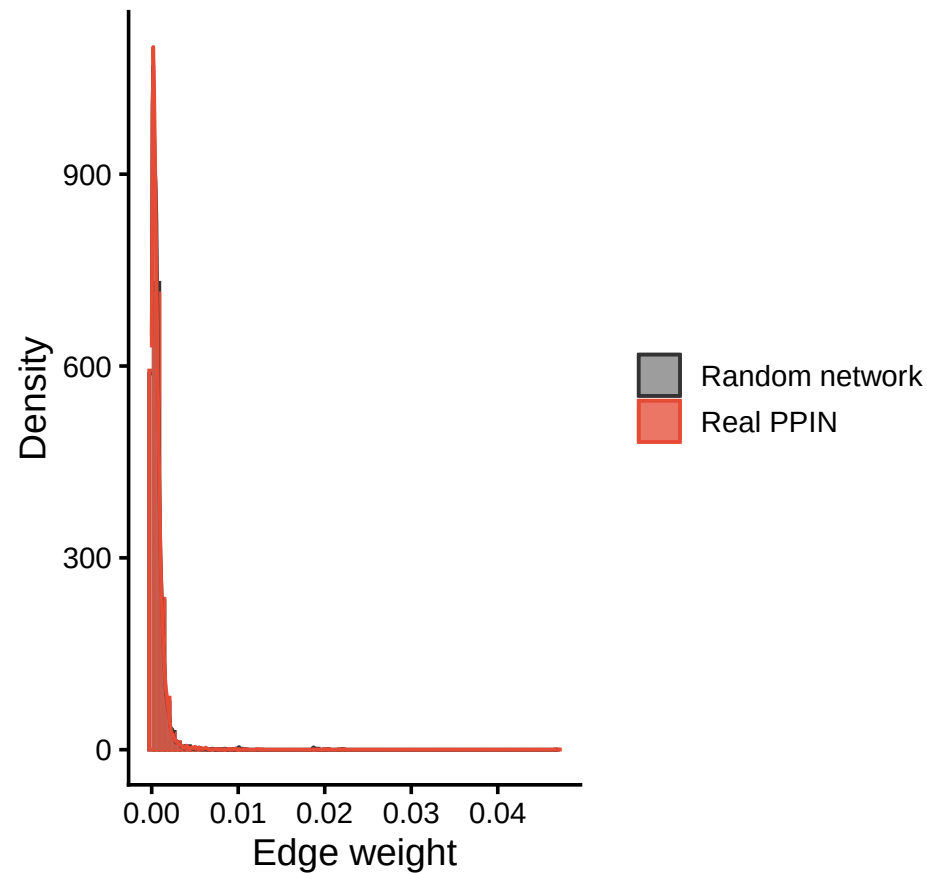

HiG_endothelial.a fragmentation under targeted-nc

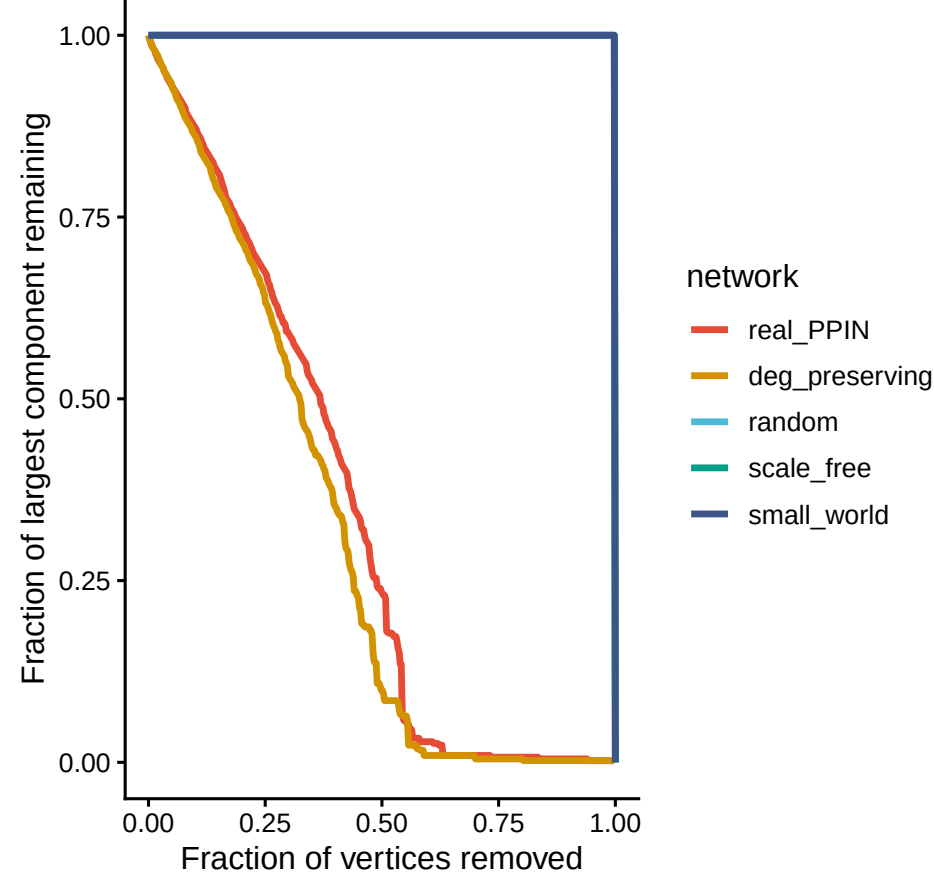

HiG_endothelial.a resilience (AUC of fragmentation)

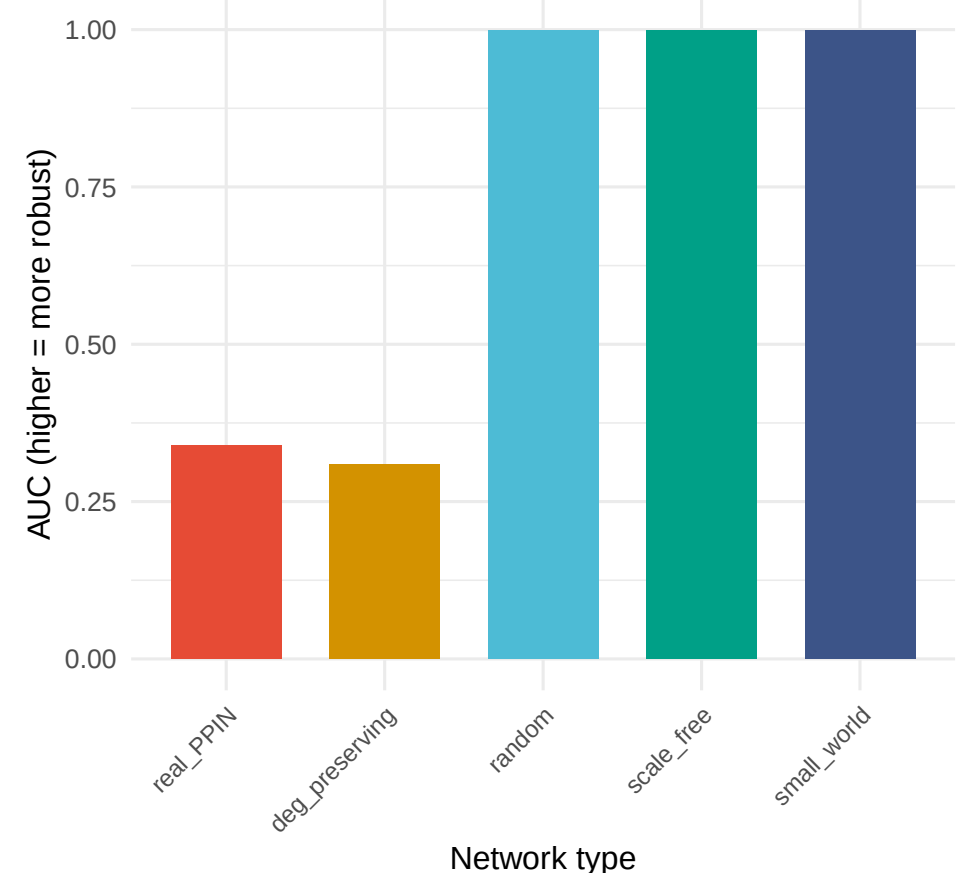

Edge-weight distribution

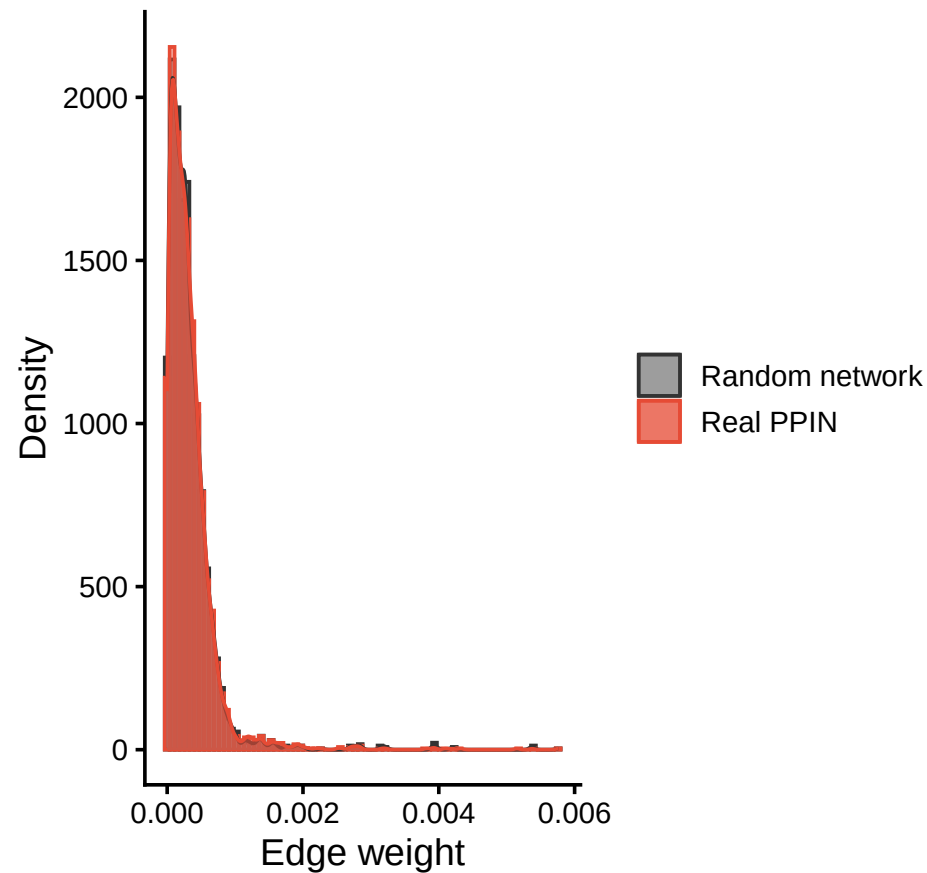

HiG_endothelial.c fragmentation under targeted-nc

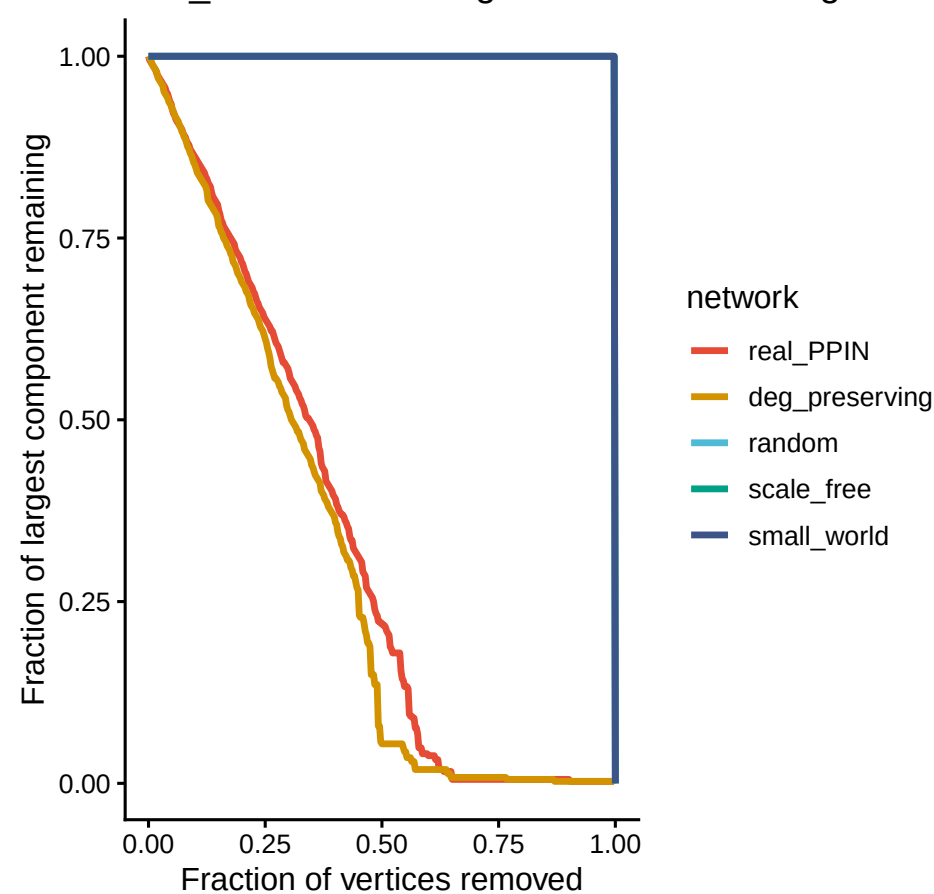

HiG_endothelial.c resilience (AUC of fragmentation)

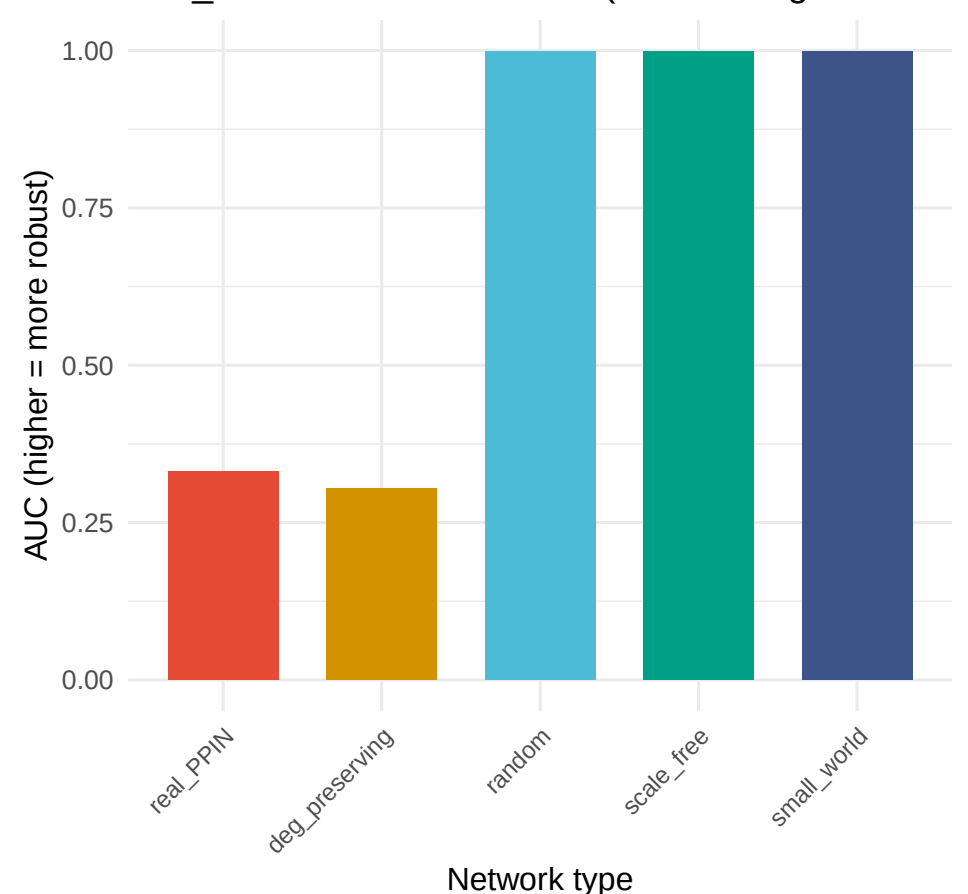

Edge-weight distribution

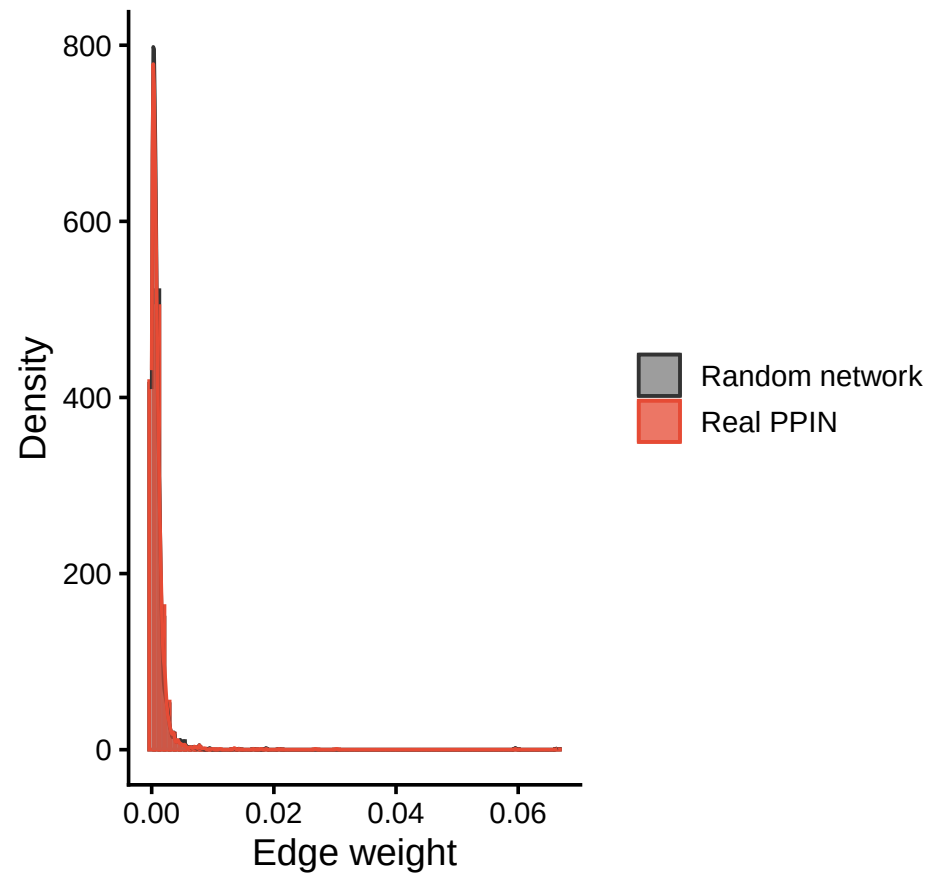

HiG_endothelial.d fragmentation under targeted-nc

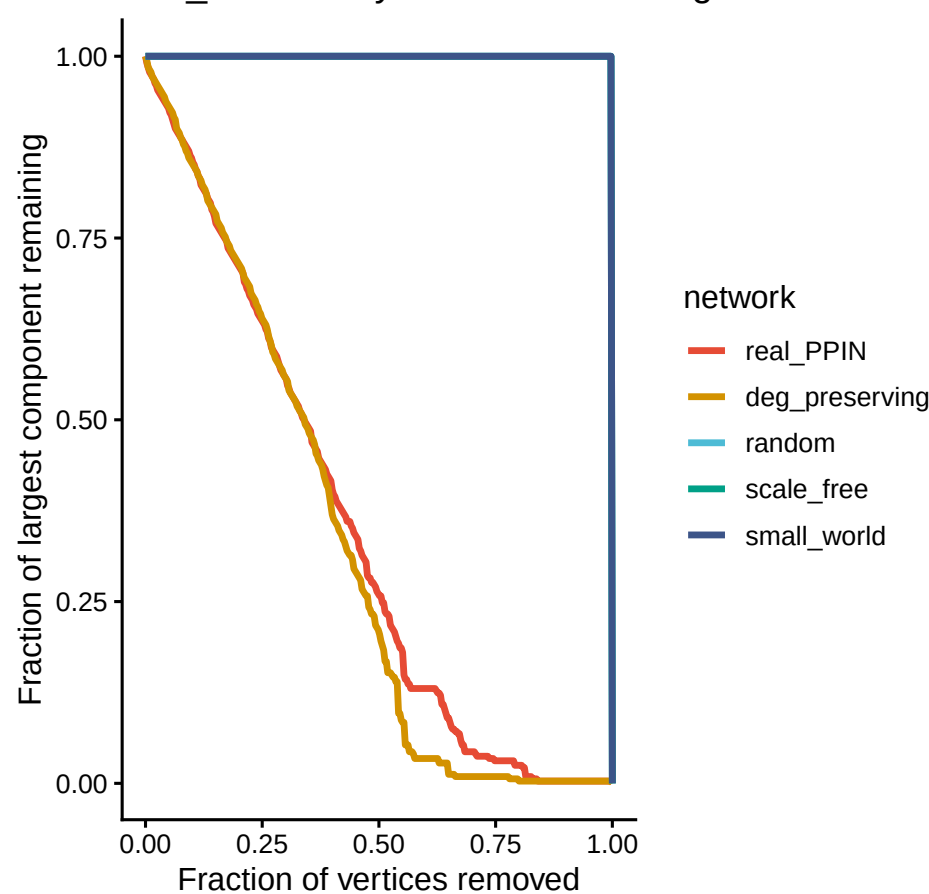

HiG_endothelial.d resilience (AUC of fragmentation)

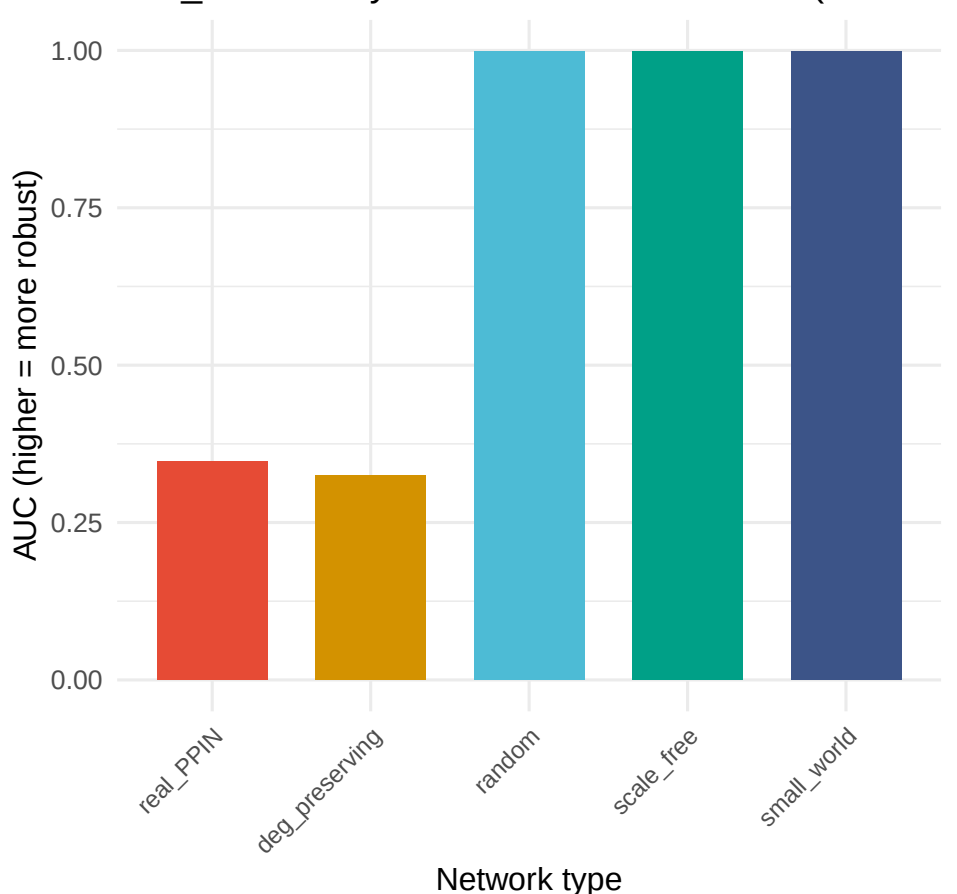

Edge-weight distribution

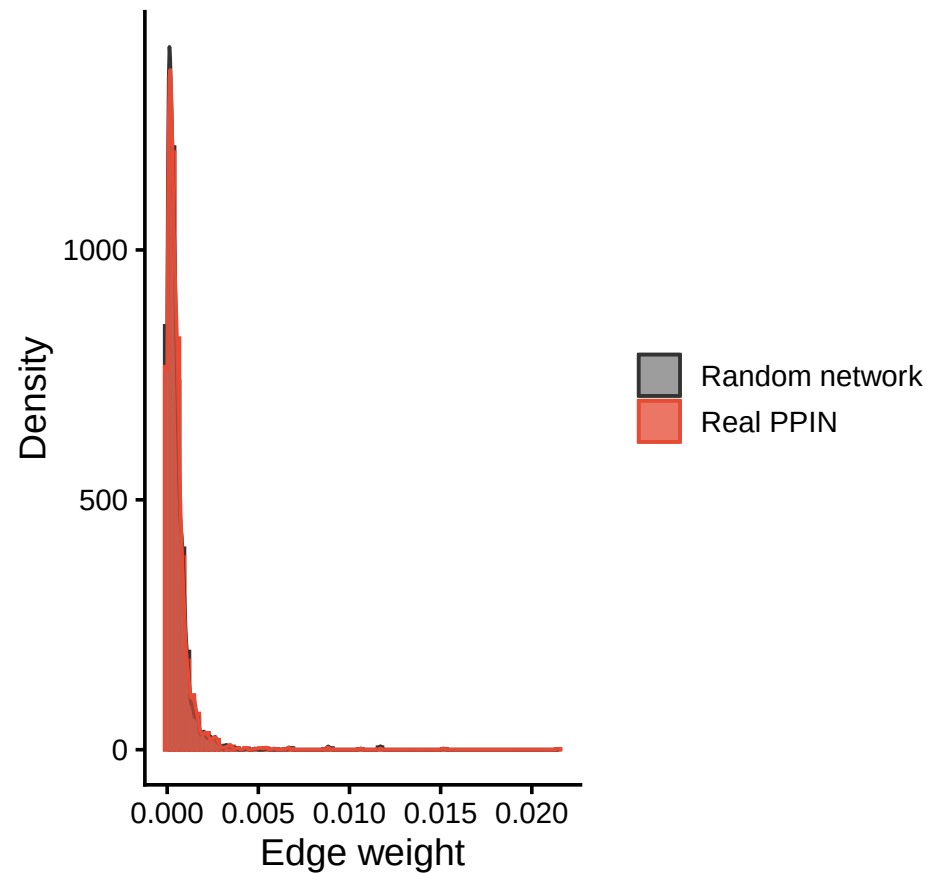

HiG_extraembryonicMesoderm fragmentation under

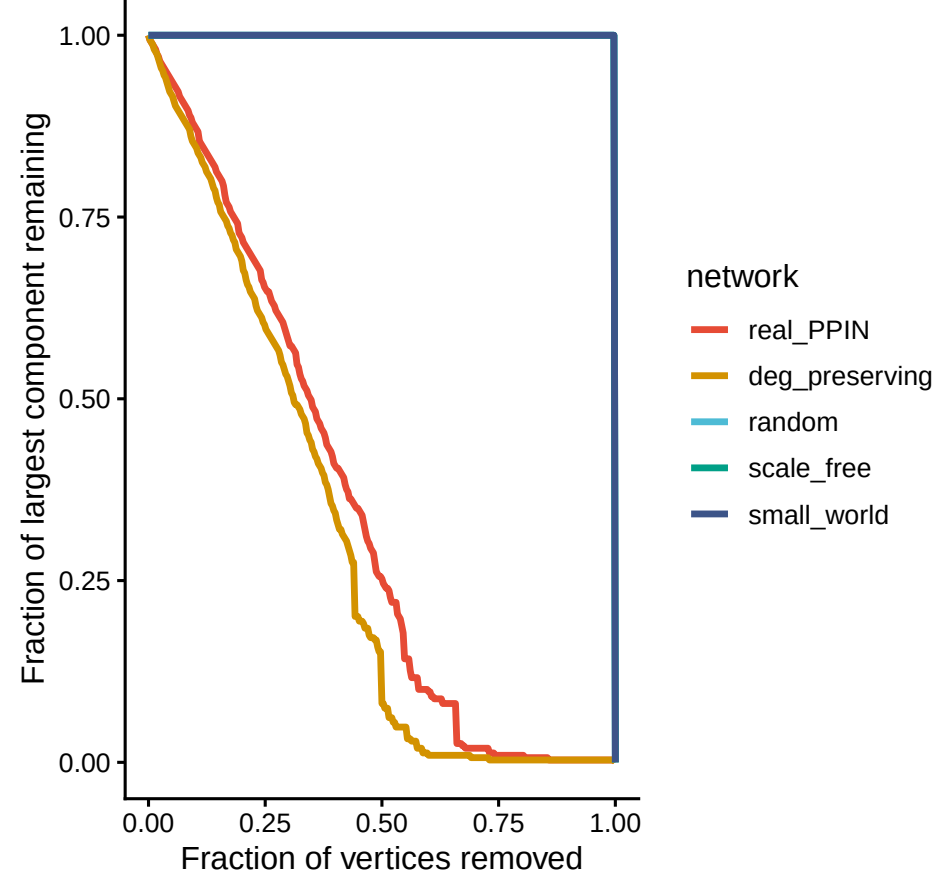

HiG_extraembryonicMesoderm resilience (AUC of t

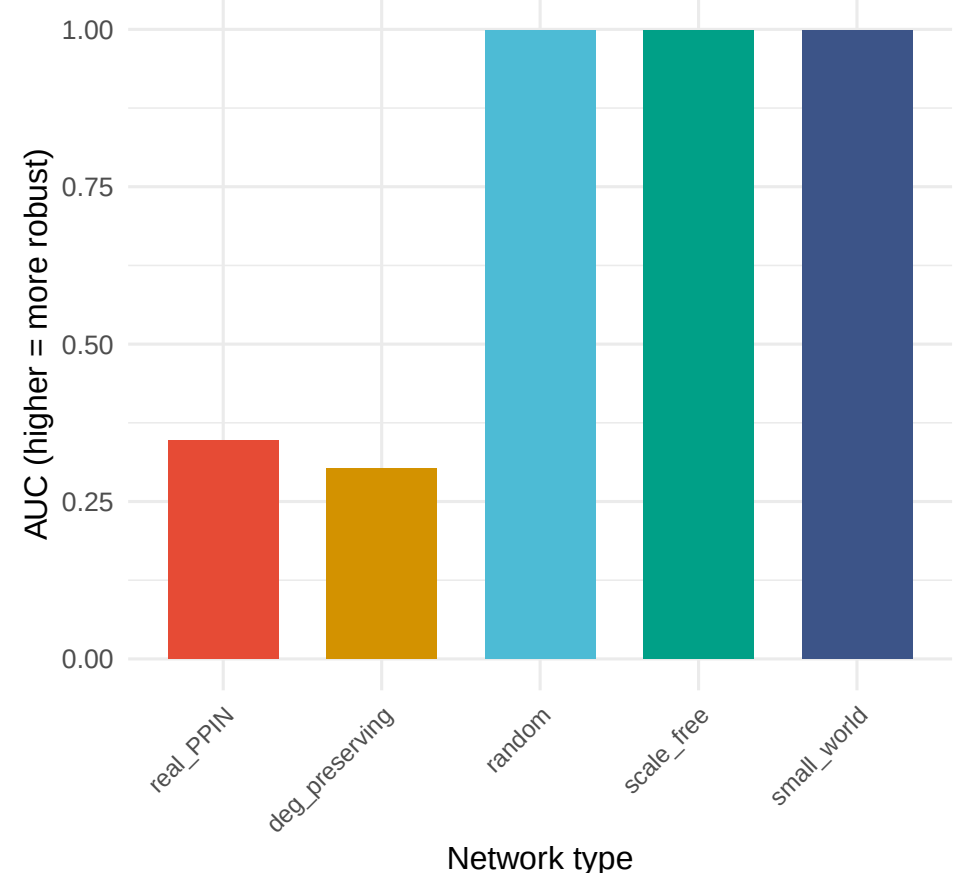

Edge-weight distribution

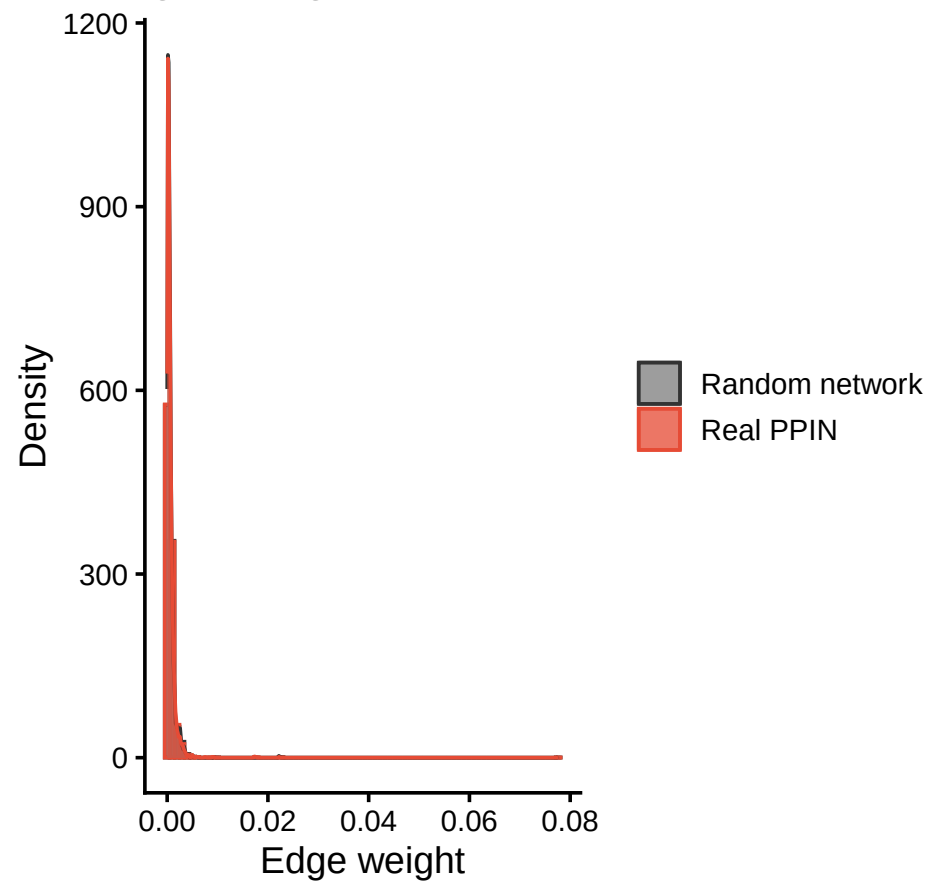

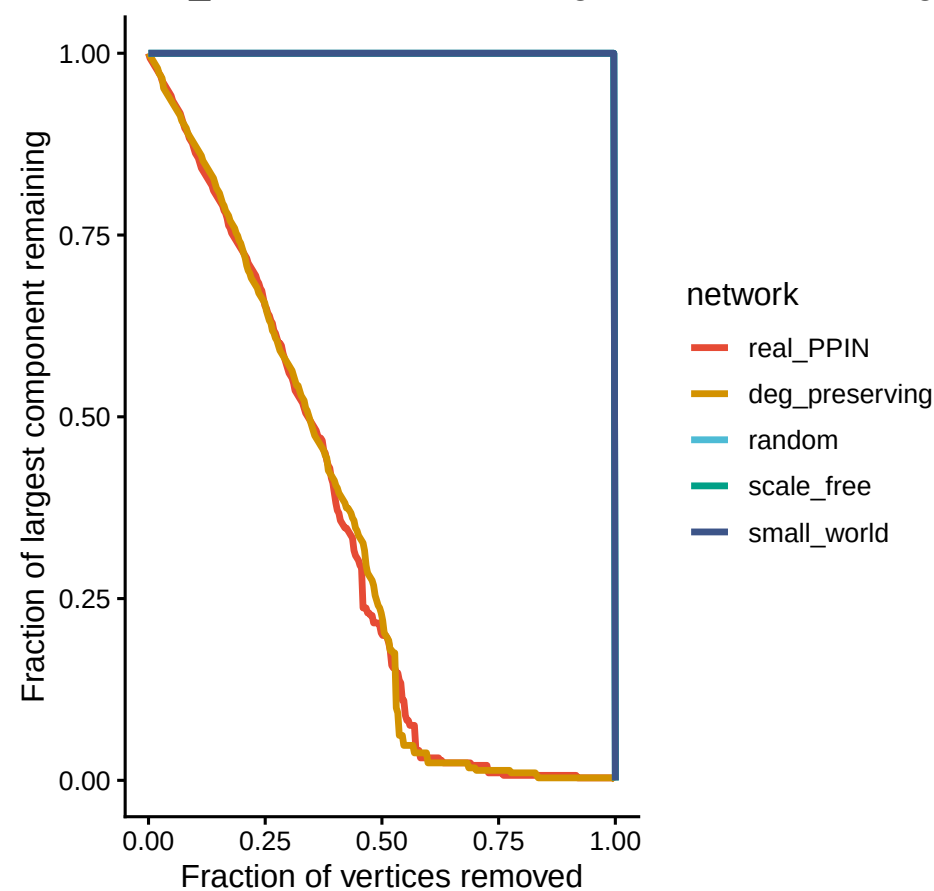

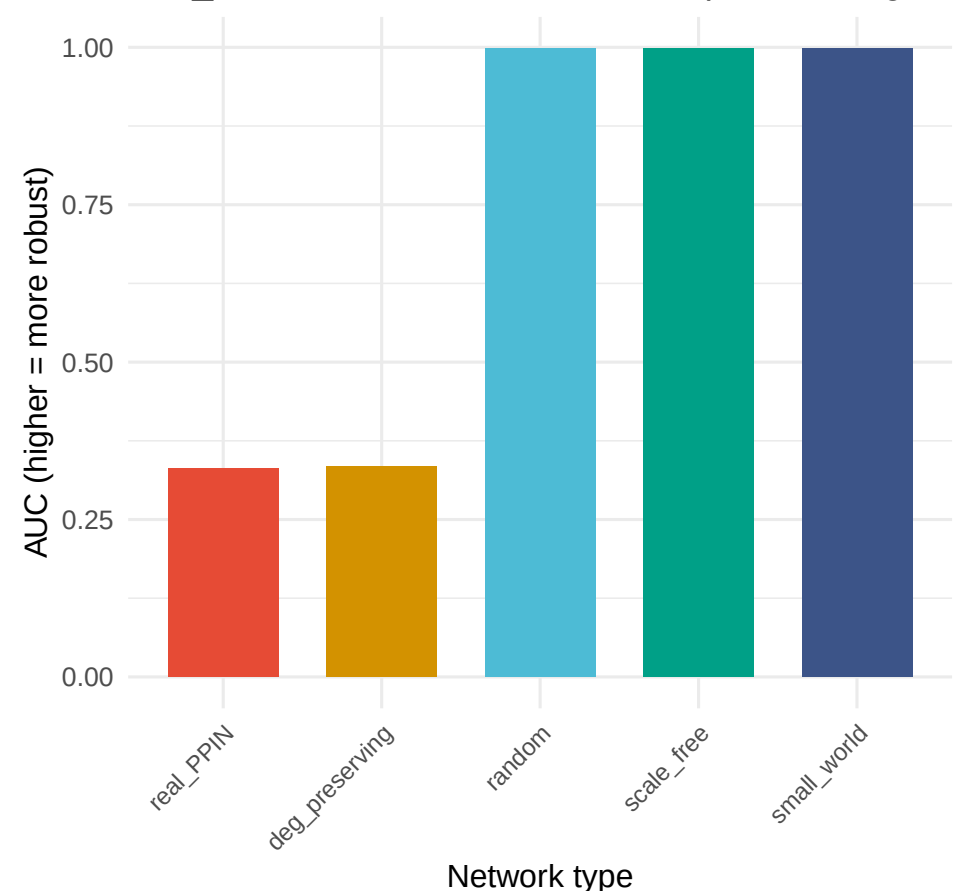

HiG_mesodermProgenitors fragmentation under ta

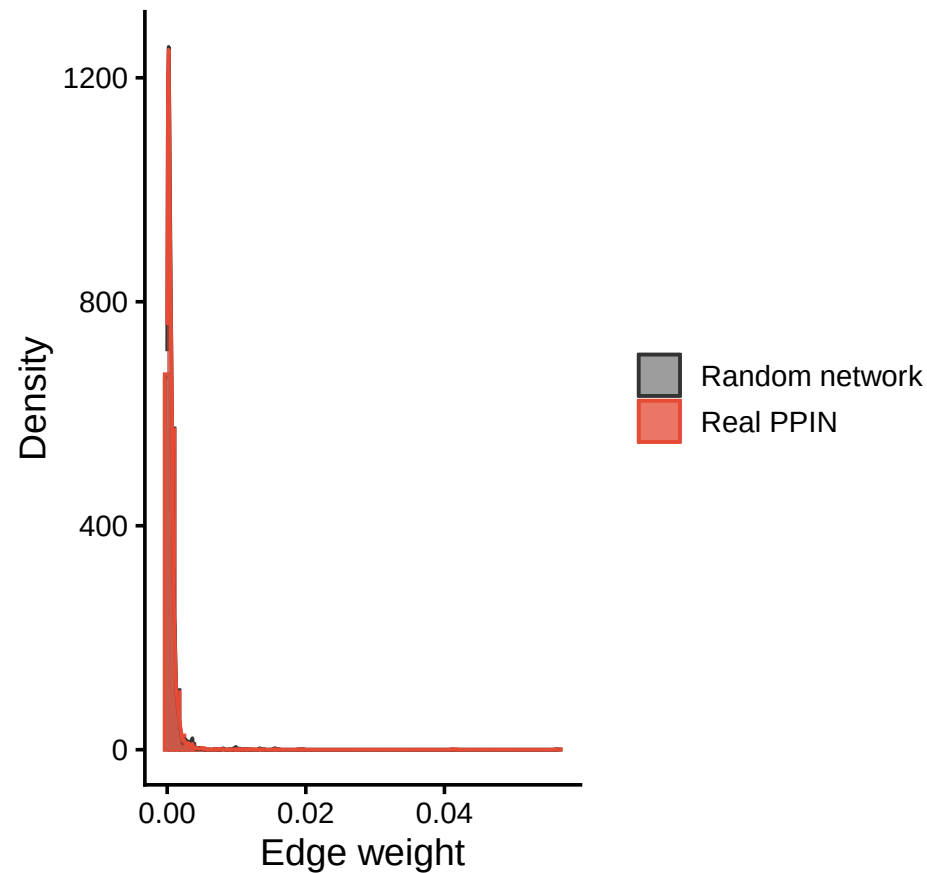

HiG_mesodermProgenitors resilience (AUC of frag)

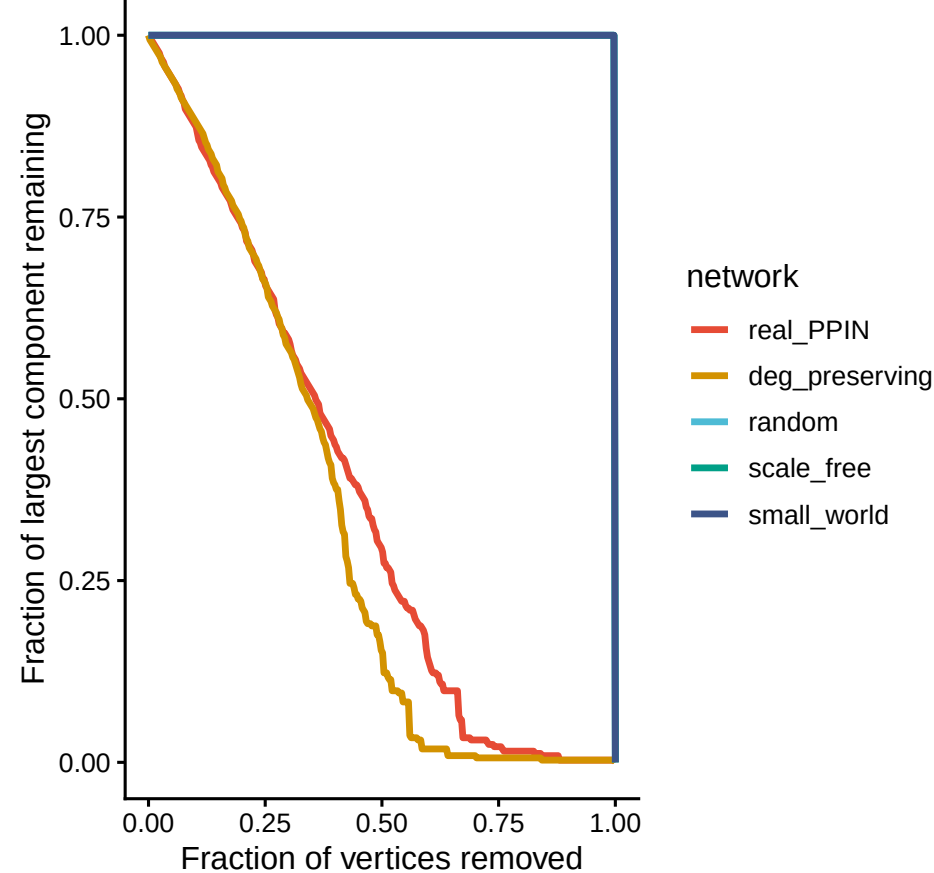

Edge-weight distribution**HiG_mixedMesoderm.a fragmentation under target****HiG_mixedMesoderm.a resilience (AUC of fragmen**

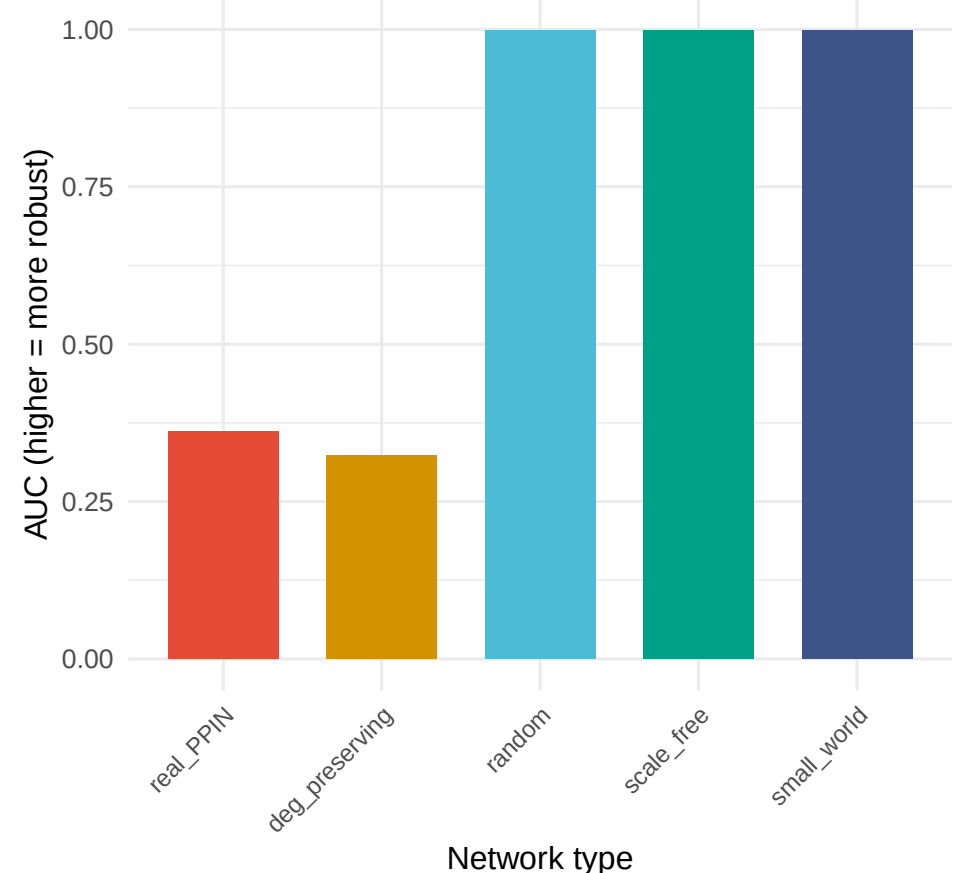

Edge-weight distribution

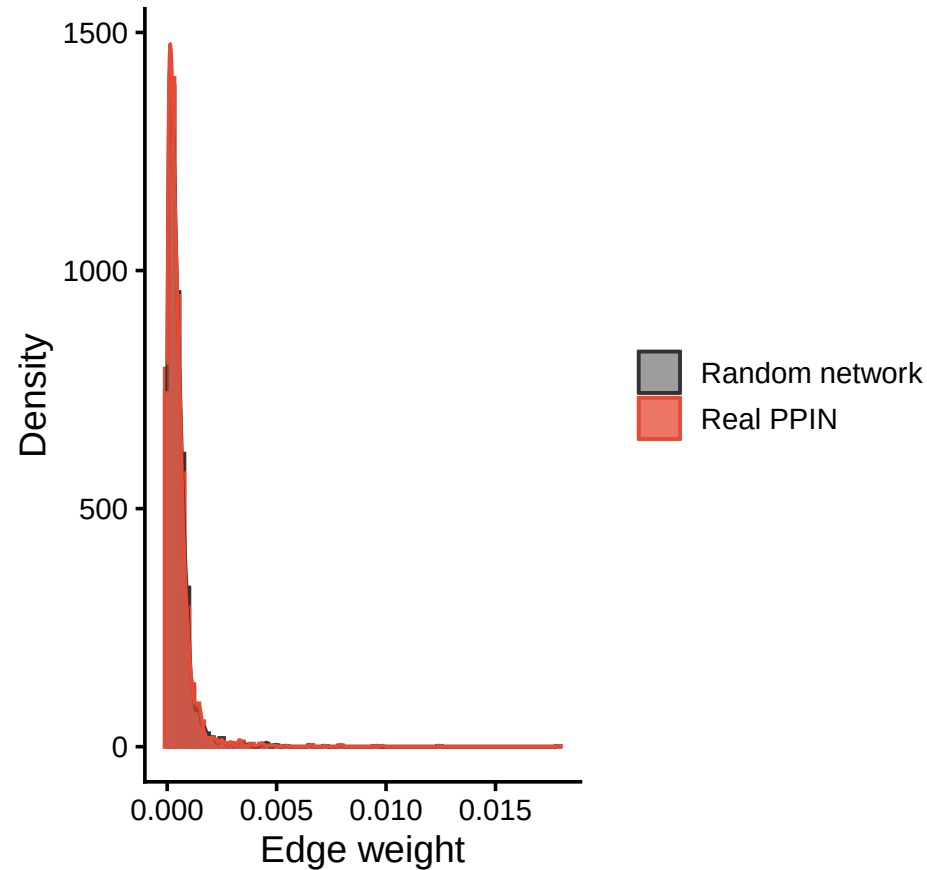

HiG_mixedMesoderm.b fragmentation under target

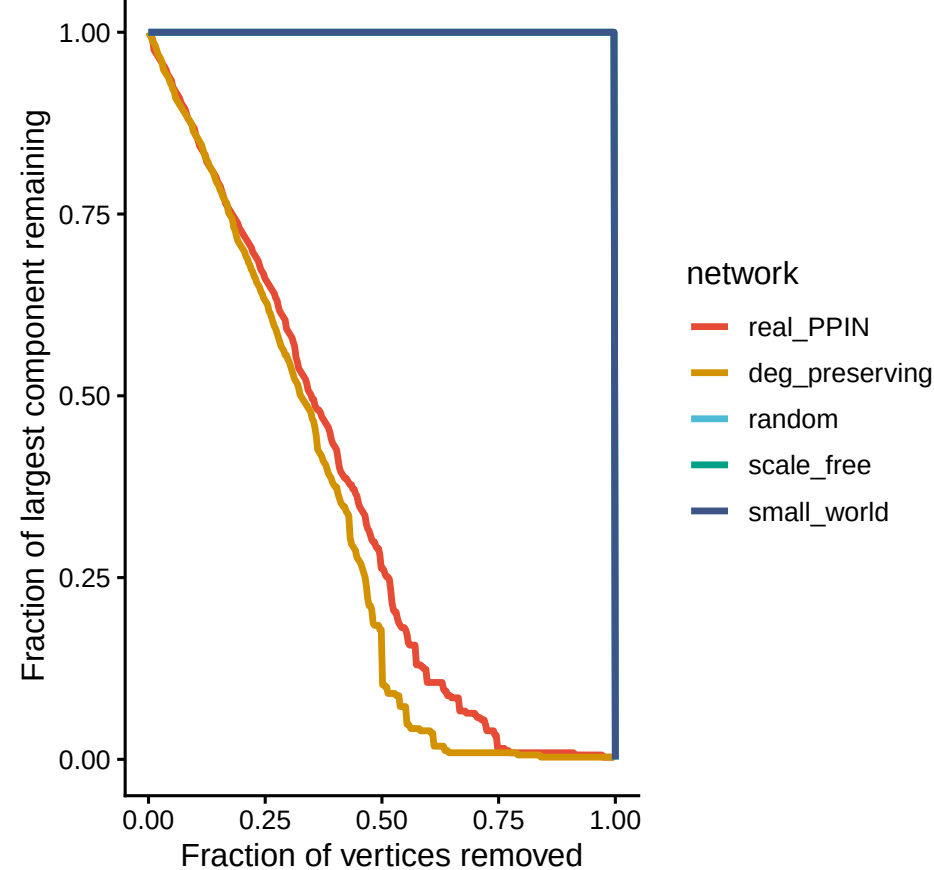

HiG_mixedMesoderm.b resilience (AUC of fragmen

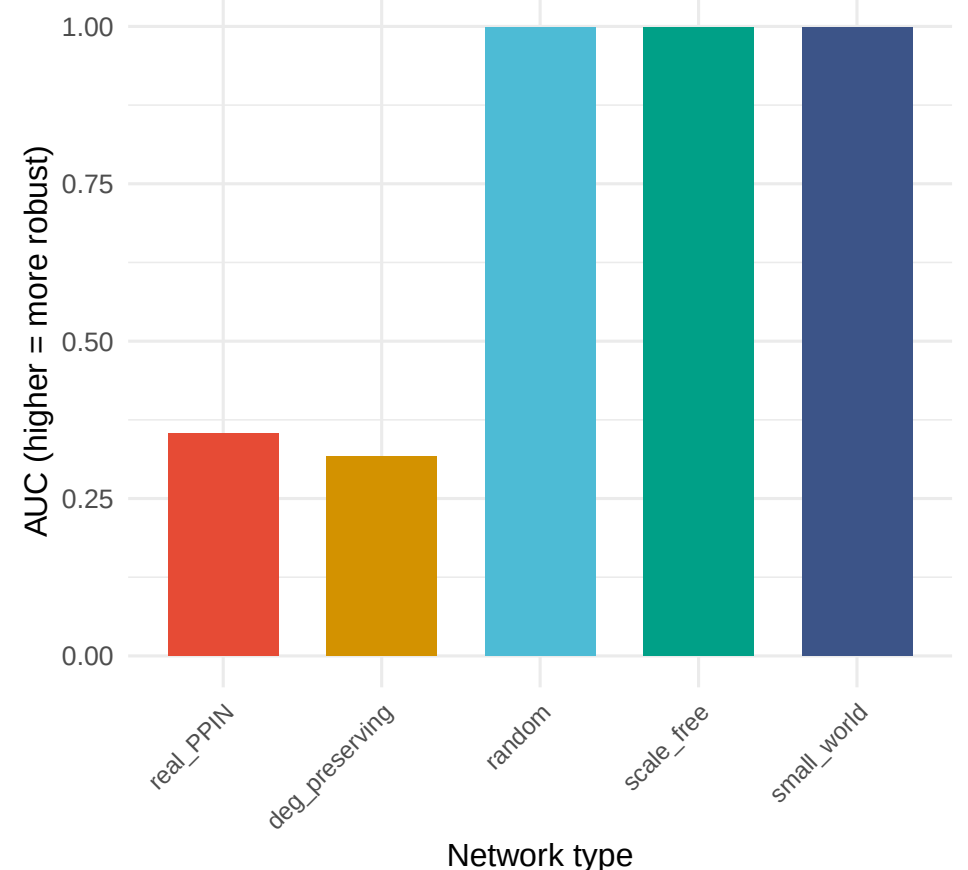

Edge-weight distribution

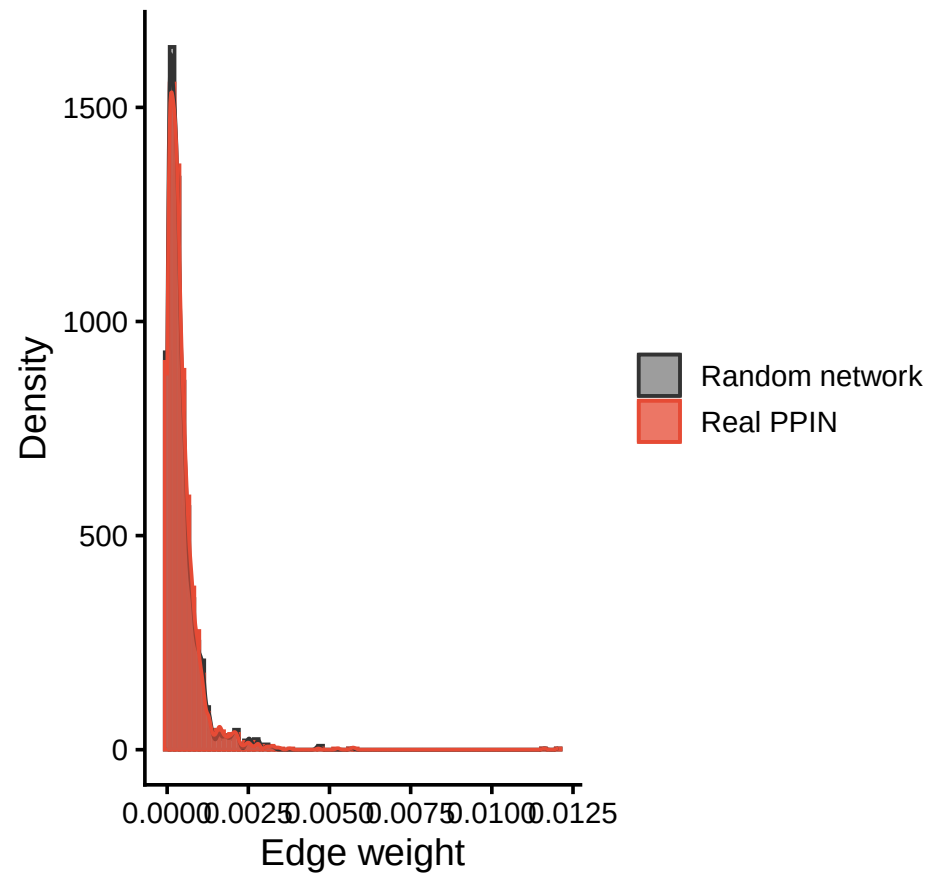

HiG_pharyngealMesoderm fragmentation under tai

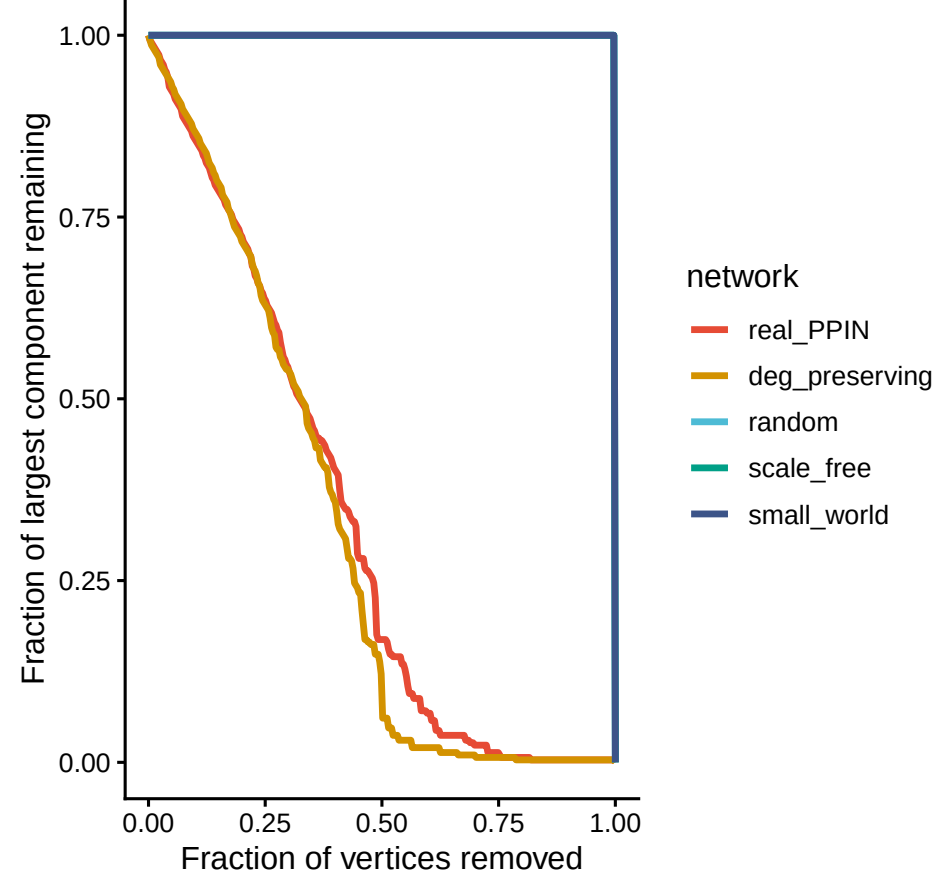

HiG_pharyngealMesoderm resilience (AUC of fragr

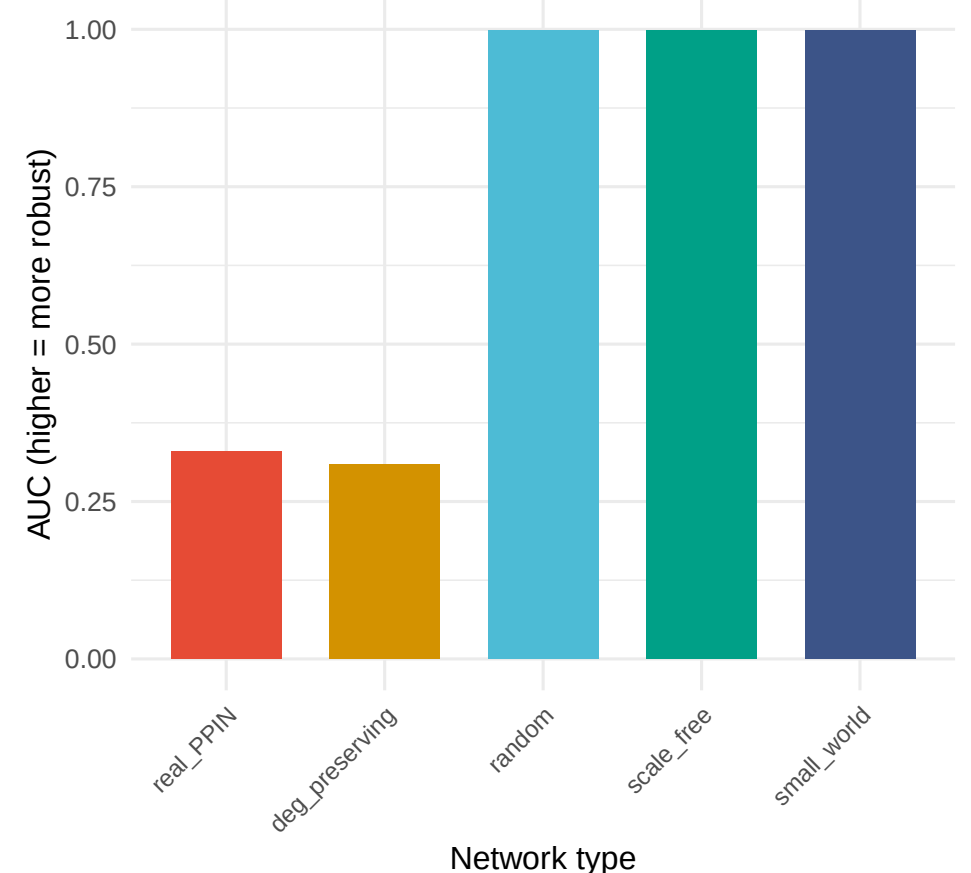

Edge-weight distribution

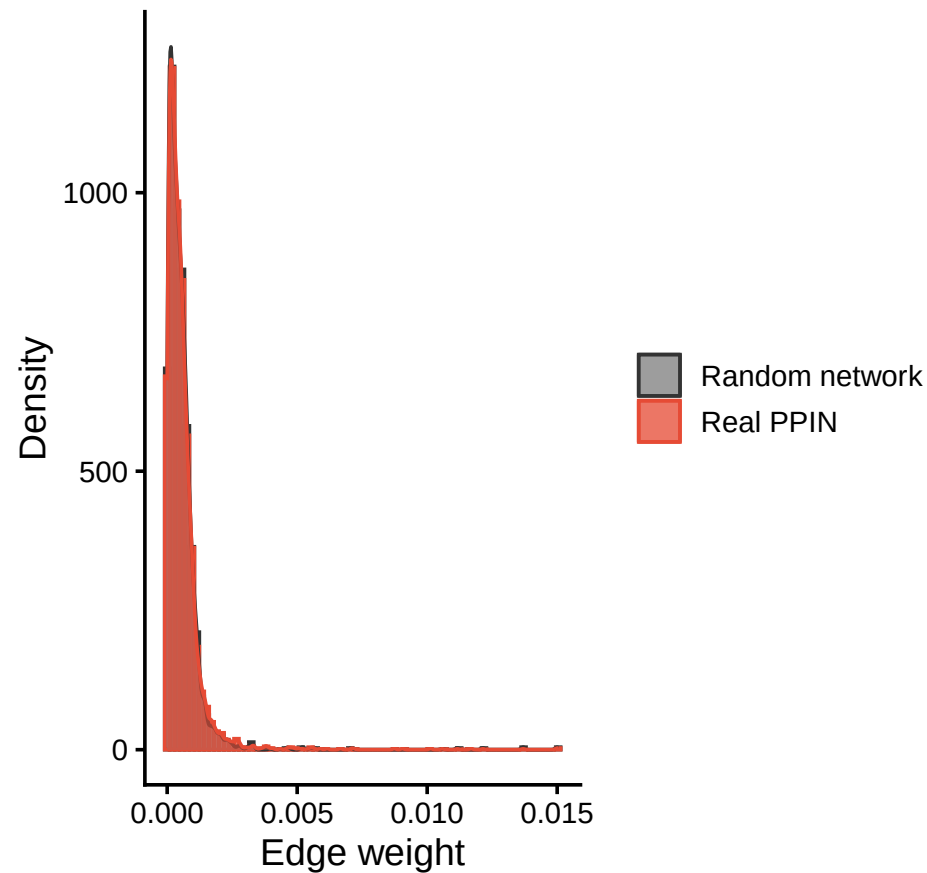

HiG_presomiticMesoderm.a fragmentation under t_{α}

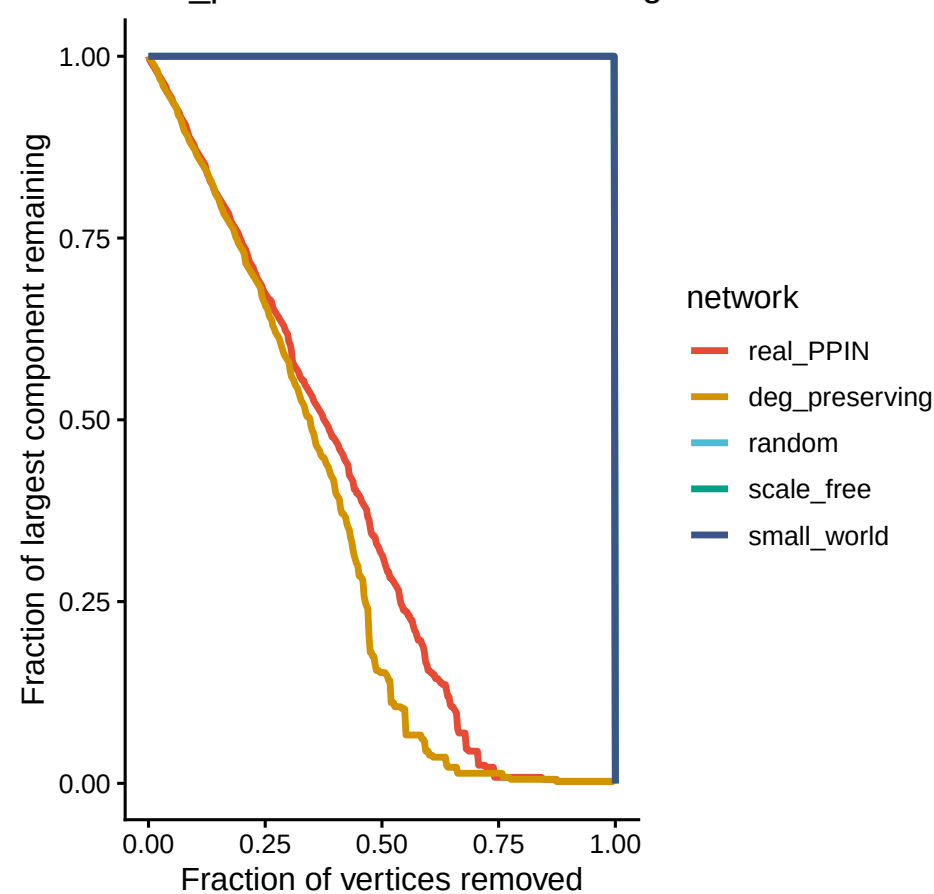

HiG_presomiticMesoderm.a resilience (AUC of frag)

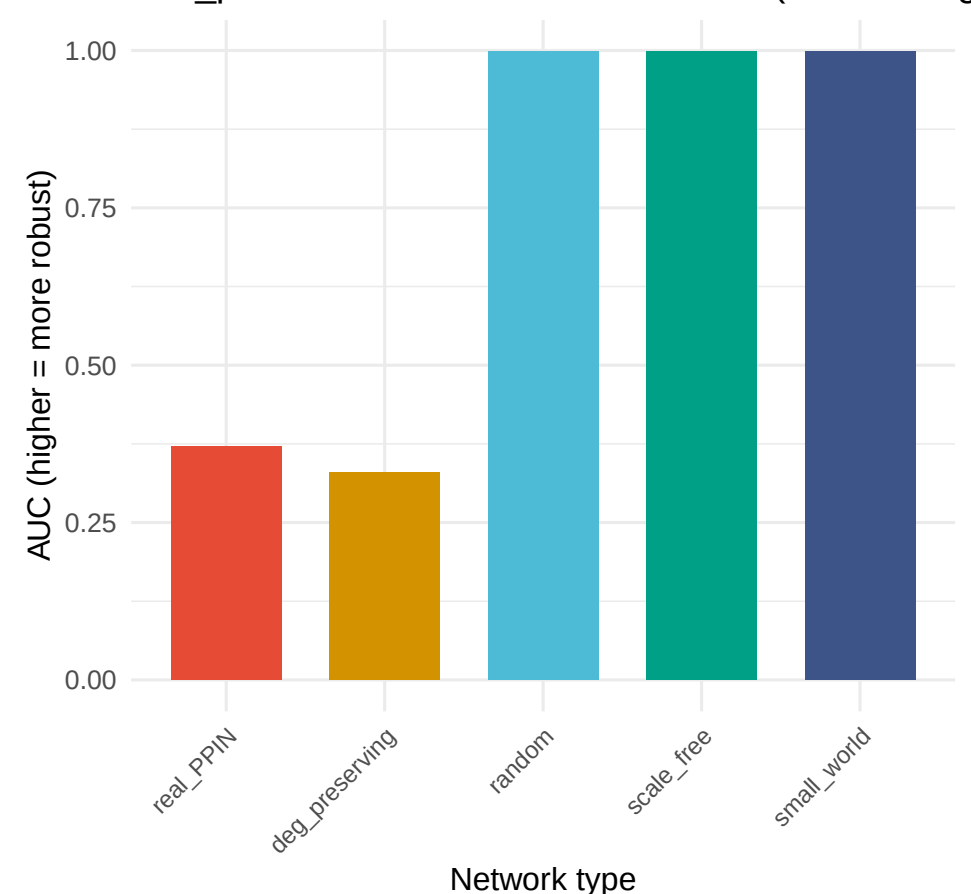

Edge-weight distribution

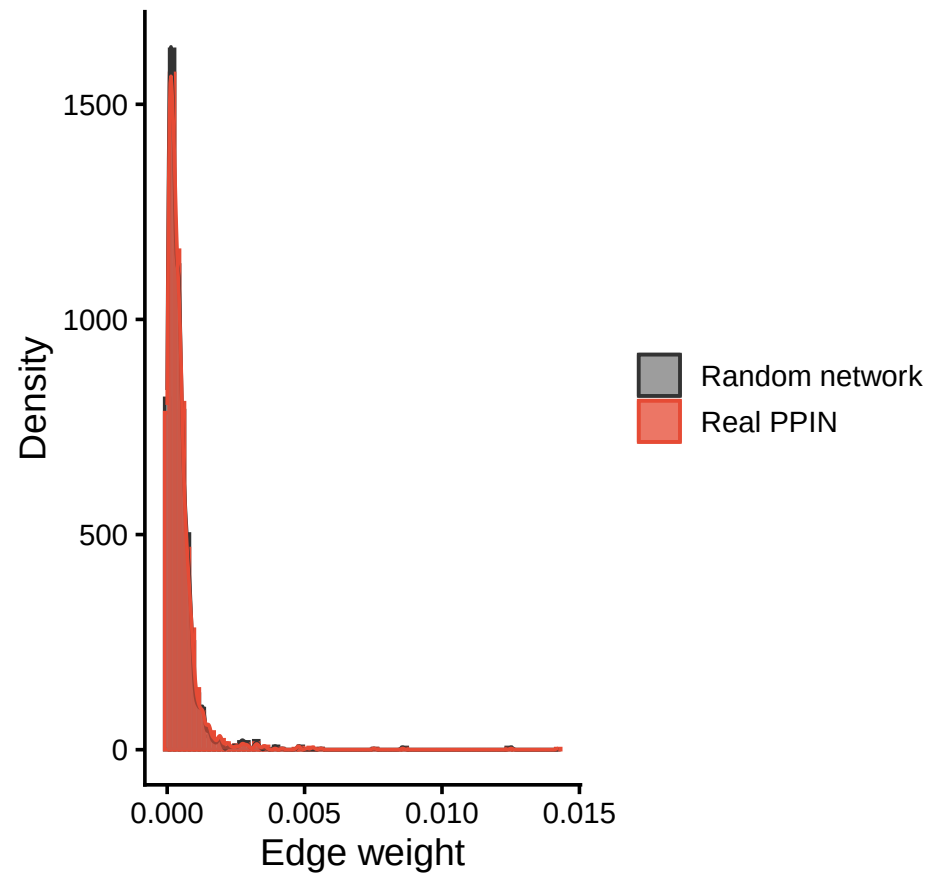

HiG_presomiticMesoderm.b fragmentation under t_{α}

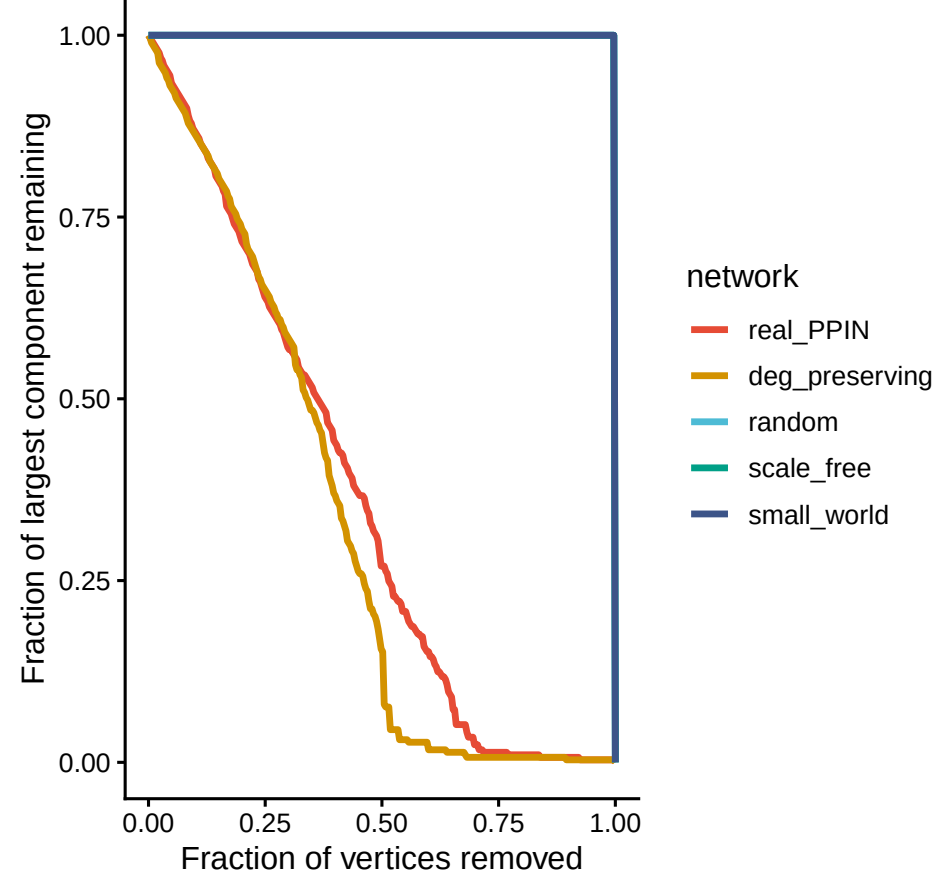

HiG_presomiticMesoderm.b resilience (AUC of frag)

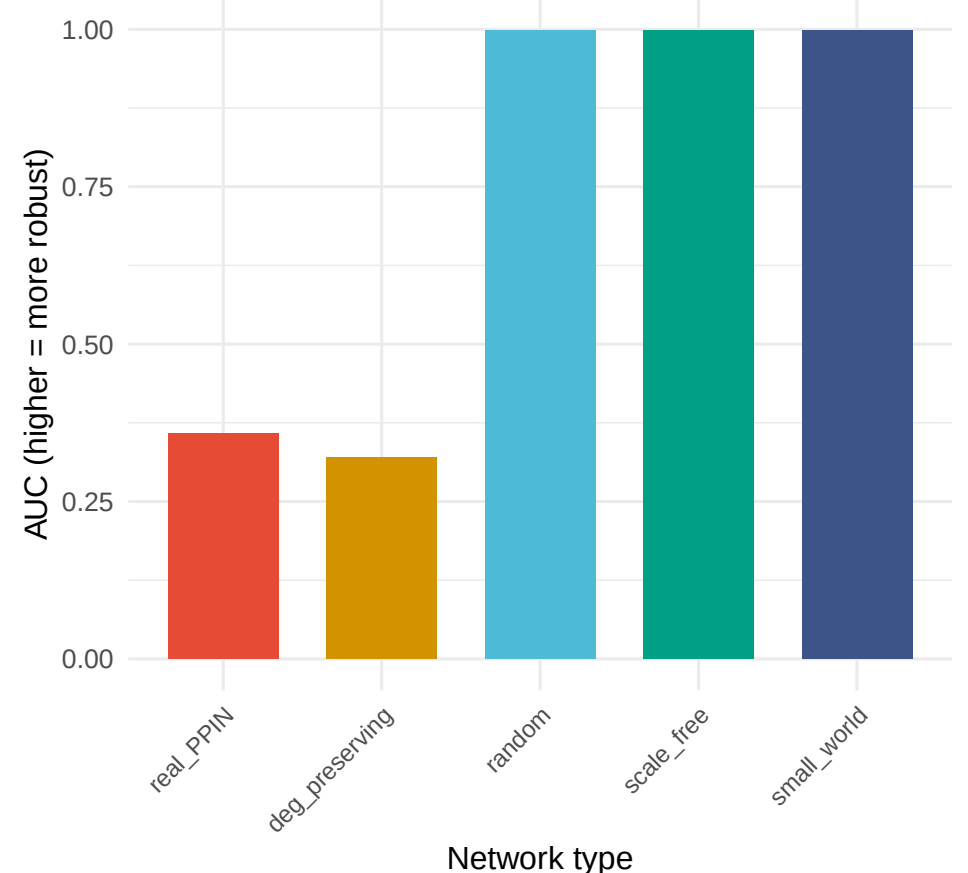

Edge-weight distribution

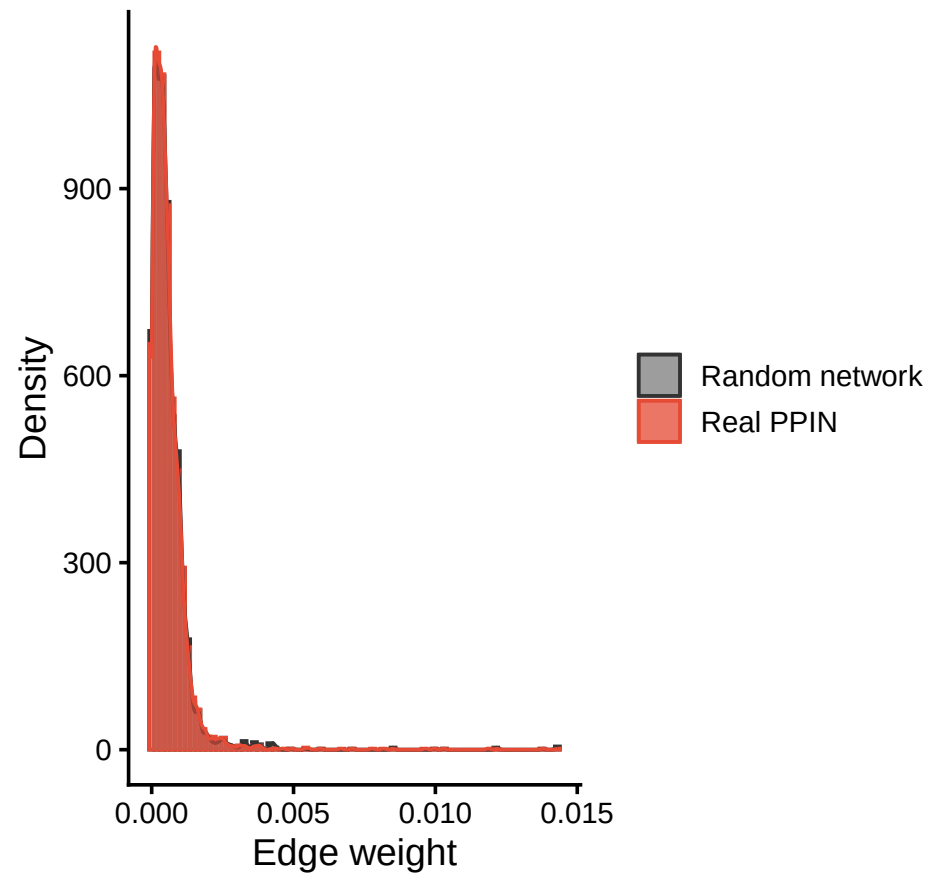

HiG_somiticMesoderm fragmentation under targets

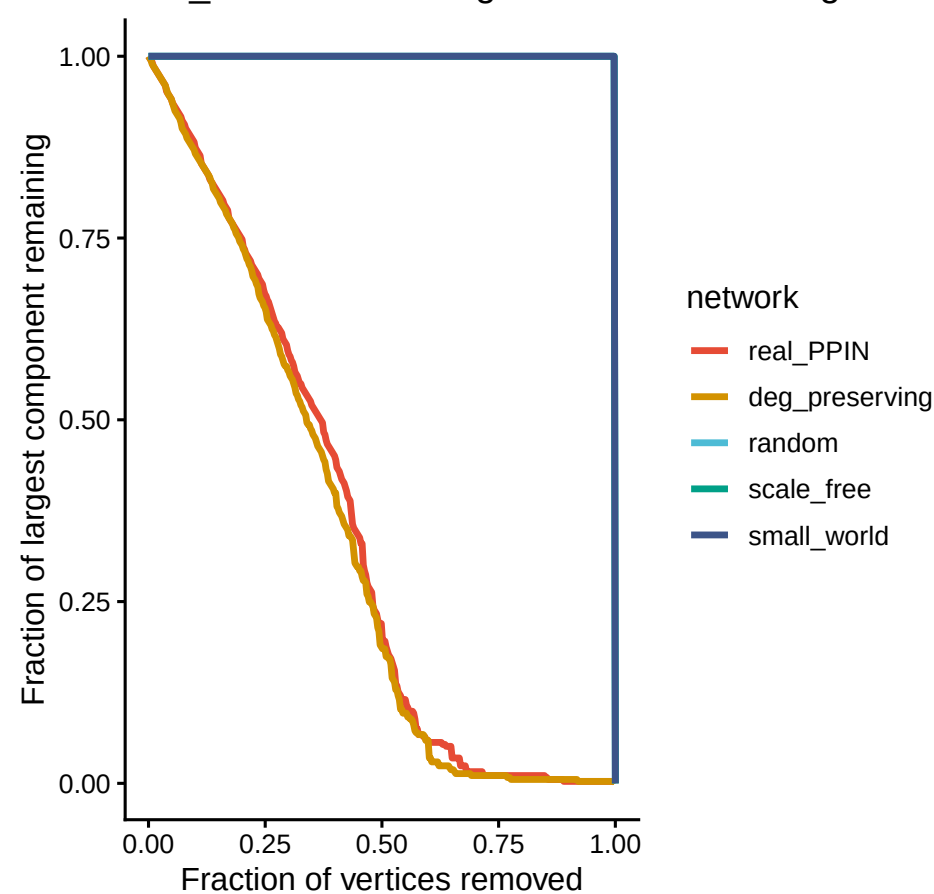

HiG_somiticMesoderm resilience (AUC of fragment)

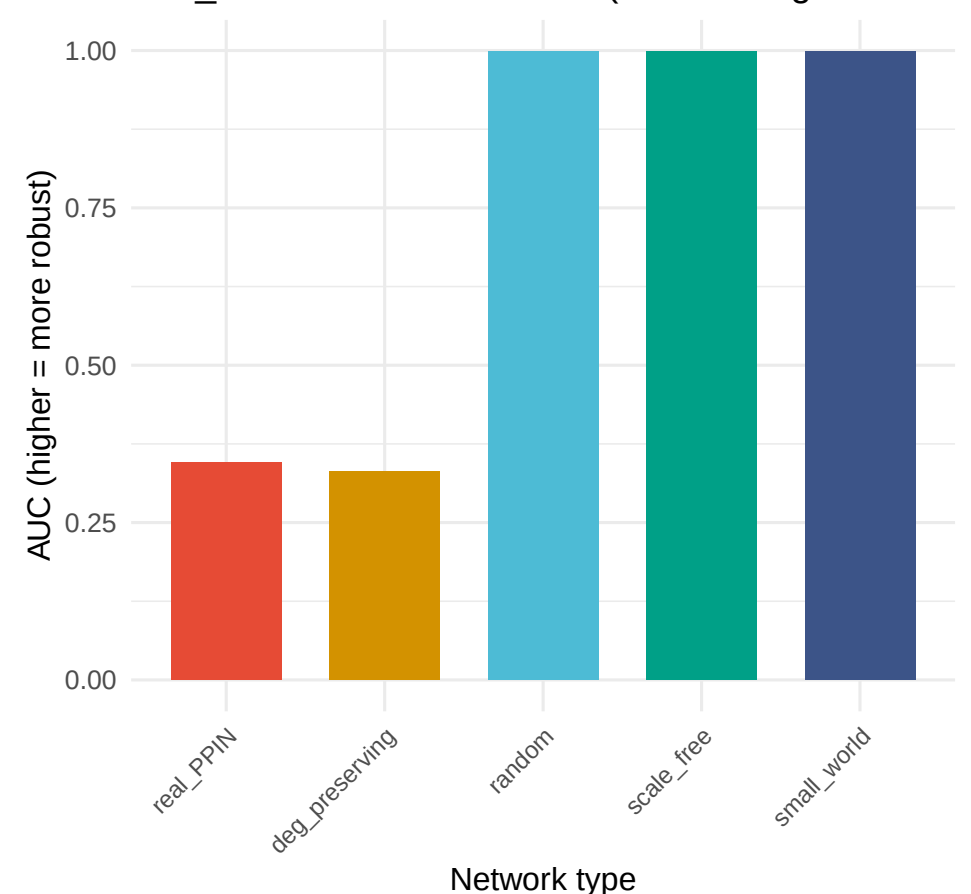

Edge-weight distribution

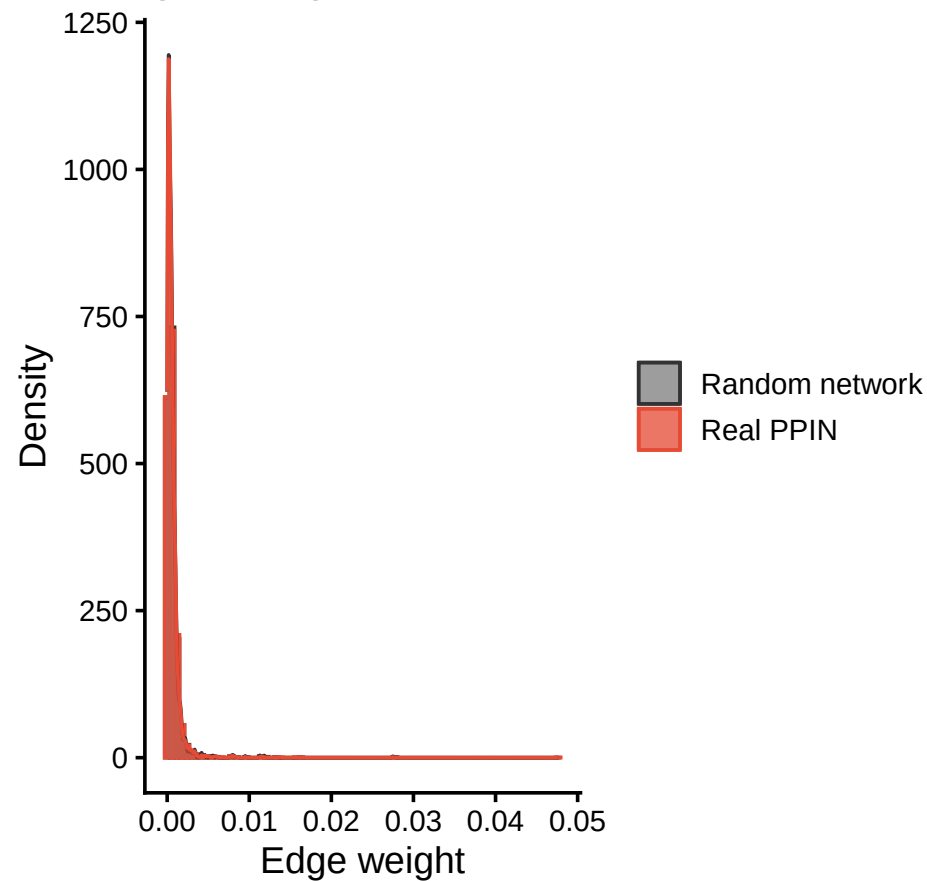

HiG_endothelial.b fragmentation under targeted-nc

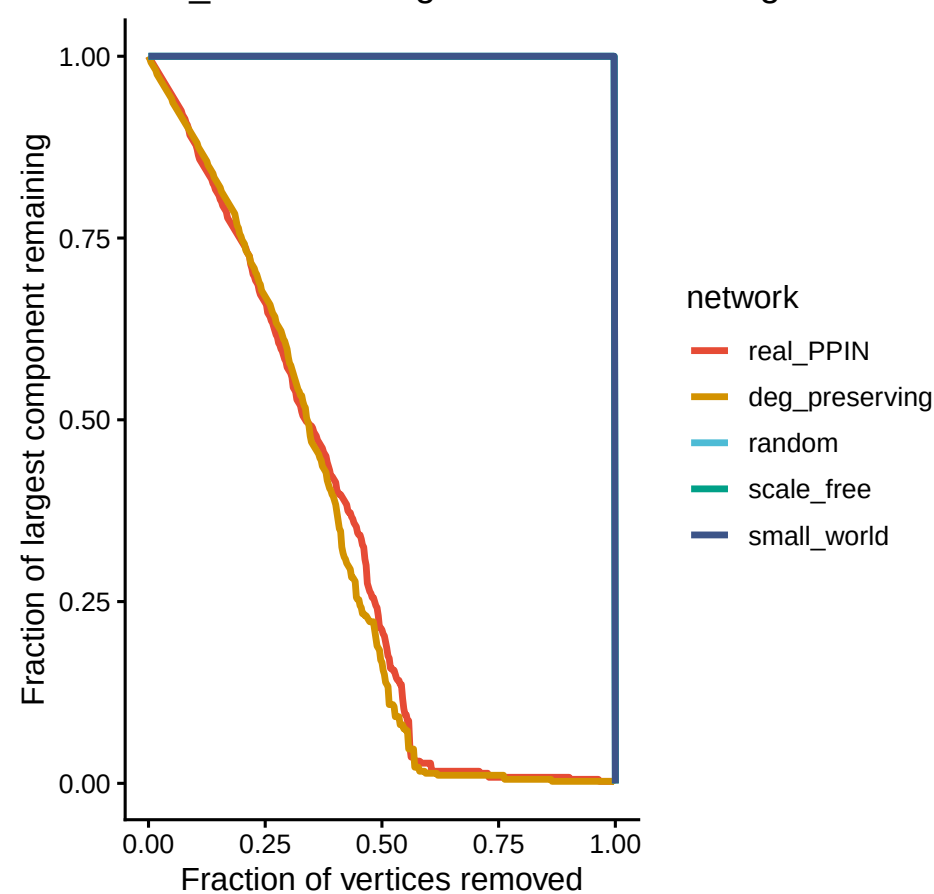

HiG_endothelial.b resilience (AUC of fragmentation)

Edge-weight distribution

HiG_cardiac.a fragmentation under targeted-node

HiG_cardiac.a resilience (AUC of fragmentation curve)
